

WEBVTT

1

00:00:00.000 --> 00:00:15.050

D24 CEC24: Experience homelessness and other things. So focusing on the child center in place of outpatient programs and day treatment programs and then including some support that they really want.

2

00:00:21.450 --> 00:00:33.409

D24 CEC24: We also are your recipients of the rights to law. And so now we're going to expand on Cs parole. And so we are 2 new initiatives in the city that will participate in this pilot.

3

00:00:35.507 --> 00:00:57.800

D24 CEC24: As far as like the parent piece, I think the parents are actually very important to do 24. And so our parent people really go out of their way to make sure that there are lots of activities and programs and information. So we have had a kindergarten enrollment middle school enrollment. We've had high school enrollment activities

4

00:00:57.800 --> 00:01:12.450

D24 CEC24: coming up January 11.th We are gonna have a childhood childhood fair at the Mosaic Pre. K. Center and Ps. 28. With the superintendent spotlight, we're actually gonna have parent workshops

5

00:01:12.610 --> 00:01:34.159

D24 CEC24: which are keeping your child safe while on public transportation. So I know you can like dive into the suffering concerns that we have in the community, and how parents and families can help each other and help the children with Hmh. And we have a day for the VR. Fair, which will be June 14th

6

00:01:34.787 --> 00:01:58.929

D24 CEC24: and then these are just highlights of some of the schools and things that they've been doing to meet the primaries as well. So Ps. 1, 99, in their multicultural day, and they also have a visit from Council. Member Juan is 93 they have. You can't see the picture, but they did ornament decorations. They have hosted family orientations for students.

7

00:01:58.930 --> 00:02:16.160

D24 CEC24: and thank you for 2 s. 39 students, I think, are in this particular Pic pictures, and then allows for families and students with disabilities to make sure the parents have an understanding of the things that are going on and what their rights are, and what you can achieve. As many ask for

8

00:02:17.070 --> 00:02:23.219

D24 CEC24: also this one is 8, 9. 1

9

00:02:23.620 --> 00:02:45.890

D24 CEC24: can't see it on the screen right for this, where they have a family night, and they're ramping up on a holiday as well, and making sure that parents are involved. But with each one of these activities there's making, they're making sure that kids are going away with the things that they might need. So it might be food resources. It might be code resources. But to really kind of like make what the community is.

10

00:02:48.611 --> 00:03:08.490

D24 CEC24: Ps. 6. They also very involved making sure that there are parent workshops on meetings, Thanksgiving food giveaways, balloons over over. Ps. 6. So lots of things just to celebrate who they are and what there is, and that is it. Thank you.

11
00:03:09.220 --> 00:03:10.800
D24 CEC24: Thank you.

12
00:03:11.130 --> 00:03:12.310
D24 CEC24: Wonderful.

13
00:03:13.240 --> 00:03:15.320
D24 CEC24: Did you get your October check?

14
00:03:45.936 --> 00:03:48.209
D24 CEC24: Thank you.

15
00:03:53.156 --> 00:04:10.020
D24 CEC24: We have interpretation here

16
00:04:26.860 --> 00:04:29.759
D24 CEC24: and send you another test

17
00:04:35.210 --> 00:04:36.530
D24 CEC24: if she wants to know.

18
00:04:51.760 --> 00:04:58.460
D24 CEC24: We got our 10 o'clock Saturday, Michael, you're next

19
00:04:59.030 --> 00:05:18.489
D24 CEC24: all right. We're gonna move on with the election since everyone that's here is here at this point. Yep, we're gonna start with President, does anyone self nominate or nominate another

20
00:05:19.800 --> 00:05:25.040
D24 CEC24: for President Communication Community Education Council.

21
00:05:25.200 --> 00:05:33.960
D24 CEC24: In other words, we're up to where it's the election. September was the election, the map to vote for President. This process has been going on, because no one can take.

22
00:05:34.660 --> 00:05:35.225
D24 CEC24: Yeah.

23
00:05:43.440 --> 00:05:46.830
D24 CEC24: 7, 7 votes are needed.

24

00:05:56.380 --> 00:06:15.986

D24 CEC24: Alright. So how this goes is we only take votes up here. No! Comments from the crowd, please. You guys will see the vote go down, but it's just gonna be a vote within the Council itself, or who's president and other positions that we have open? So Matt has been nominated by Connie.

25

00:06:17.270 --> 00:06:22.360

D24 CEC24: is anyone gonna nominate anyone else? Or are we just gonna leave it at that.

26

00:06:22.700 --> 00:06:32.260

D24 CEC24: She's not on detected because she hasn't nominated self or no one's nominated her yet.

27

00:06:33.080 --> 00:06:43.799

D24 CEC24: We're gonna go with the boats. I'm just gonna go down the list of names from our council. For Matt. It's yes or no of stain. Juni.

28

00:06:45.230 --> 00:06:48.490

D24 CEC24: Connie. Yes. Oh, yeah.

29

00:06:58.783 --> 00:07:11.710

D24 CEC24: Who needs translation. This is all I heard right now. Okay, so we

30

00:07:15.085 --> 00:07:21.432

D24 CEC24: okay, I will wait for him to get his translation thing while he's doing this.

31

00:07:23.320 --> 00:07:24.010

D24 CEC24: Oh.

32

00:07:32.370 --> 00:07:37.420

D24 CEC24: listen. The answer is, everybody knows it's not the majority of the Council. 7 votes are needed.

33

00:07:37.700 --> 00:07:40.240

D24 CEC24: but if there's a couple of months we're coming out back to follow.

34

00:07:40.940 --> 00:07:42.380

D24 CEC24: There's 10 right?

35

00:07:54.556 --> 00:07:56.349

D24 CEC24: Yes, yes.

36

00:07:59.010 --> 00:08:12.069

D24 CEC24: So then if somebody but if they get that, who are the other people.

37

00:08:12.648 --> 00:08:16.530

D24 CEC24: I will read the rest of the list once he gets his translation for me.

38

00:08:30.080 --> 00:08:35.479

D24 CEC24: No, no, no, so let me just explain. The CC. Is a 2 year term.

39

00:08:35.870 --> 00:08:49.510

D24 CEC24: But to be President, vice President, treasurer, secretary. You vote once a year, July first, st since July first, st August, September, October, November. Well, November.

40

00:08:49.510 --> 00:09:08.199

D24 CEC24: He has gotten 6 votes. He's short by one vote. And so she just decided not to go. And that's okay. That's her choice. That's okay. Yeah. So you get the choice of saying no or yes.

41

00:09:11.670 --> 00:09:21.979

D24 CEC24: okay, okay, let's calm it down. Let's calm it down.

42

00:09:29.476 --> 00:09:43.080

D24 CEC24: hearing themselves know. Get it. But it's gonna cause something else looks.

43

00:09:44.490 --> 00:09:53.639

D24 CEC24: Let's stop arguing, please. I'm gonna keep talking. You guys are not gonna be amused of it. Alright. Yeah. Can you stop, sir? Sir? Please stop.

44

00:09:54.150 --> 00:10:03.369

D24 CEC24: I did tell her to stop her meeting, told her to stop.

45

00:10:18.150 --> 00:10:19.100

D24 CEC24: Okay.

46

00:10:25.170 --> 00:10:26.850

D24 CEC24: okay, thank you.

47

00:10:32.584 --> 00:10:41.634

D24 CEC24: That's why.

48

00:10:59.590 --> 00:11:07.230

D24 CEC24: Alright, Matt. Your vote? Yes, no, it's team, Maddie.

49

00:11:08.152 --> 00:11:09.840

D24 CEC24: Yes, no. Obscene.

50

00:11:09.840 --> 00:11:10.760

53

00:11:28.950 --> 00:11:33.300

D24 CEC24: Well, yes, no. Abstain for Matt as President. Yes.

54

00:11:33.820 --> 00:11:38.800

D24 CEC24: he has 6 votes. Do we all recall these votes, or do we want to just push to the next one

55

00:11:39.260 --> 00:11:43.369

D24 CEC24: Mexico cool? All right, Vice President.

56

00:11:44.070 --> 00:11:45.120

D24 CEC24: Yes, ma'am.

57

00:11:49.940 --> 00:11:56.280

D24 CEC24: and then telling us the road has been going on for 6 months. So why is she still on the board

58

00:11:56.420 --> 00:12:05.489

D24 CEC24: because she's allowed. But that isn't that behind, because that's trying to get these both. She's not doing anything, but she's going.

59

00:12:05.680 --> 00:12:09.049

D24 CEC24: What is she doing. She has a position they have voted

60

00:12:14.561 --> 00:12:27.530

D24 CEC24: meeting about. Oh, you know, I want to be.

61

00:12:31.490 --> 00:12:36.970

D24 CEC24: and she want to come and tell us what's doing now.

62

00:12:37.160 --> 00:12:42.130

D24 CEC24: Yeah, I see you on the phone call alright.

63

00:12:47.280 --> 00:12:52.130

D24 CEC24: Okay, we're gonna move on to the vice President. Now.

64

00:12:52.320 --> 00:13:01.460

D24 CEC24: we want to get to everything fast as you can, because we want to hear your voice. We're gonna

open up the public speaking. Everybody's a voice. The more we get to hear the different voice.

65

00:13:01.570 --> 00:13:09.560

D24 CEC24: We watch your voices and you will be heard from. It's really fast. I do want to mention that it sees the

66

00:13:09.680 --> 00:13:33.129

D24 CEC24: applications to run for the CC. And whoever's a parent is eligible. All you have to do is be a parent. Okay, just letting you know.

67

00:13:33.280 --> 00:13:34.260

D24 CEC24: where is she?

68

00:13:34.530 --> 00:13:37.000

D24 CEC24: Nobody has access, everybody happy.

69

00:13:42.320 --> 00:13:43.330

D24 CEC24: But what would you?

70

00:13:44.731 --> 00:13:51.089

D24 CEC24: Alright? For vice President.

71

00:13:51.740 --> 00:14:01.279

76

00:14:36.450 --> 00:14:41.960

D24 CEC24: We're supposed to visit the schools and see what's happening in the schools for you.

77

00:14:42.300 --> 00:14:59.349

D24 CEC24: and if we don't do what you want, we just don't vote for us, and you don't get another term. And and not only that if we work for you, guess what, how you can contact me. You should have my email, my cell number. You should be able to call me whenever you need to see

D24 CEC24: Did you guys get my presentation up.

110
00:18:02.030 --> 00:18:06.550
D24 CEC24: I don't know when that was

111
00:18:07.080 --> 00:18:11.750
D24 CEC24: it went to the Cv. Yes, and then I sent it to all of you, and it was awesome.

112
00:18:12.910 --> 00:18:14.260
D24 CEC24: I wasn't everybody.

113
00:18:16.405 --> 00:18:25.140
D24 CEC24: Otherwise it's gonna be very appropriate.

114
00:18:29.820 --> 00:18:36.439
D24 CEC24: I'm checking.

115
00:18:38.240 --> 00:18:46.069
D24 CEC24: Oh, we got it. Let me find a way to plug it.

116
00:18:47.220 --> 00:18:52.489
D24 CEC24: Have? Excellent okay, yeah, that's fine.

117
00:18:52.720 --> 00:19:12.480
D24 CEC24: He's trying to collect this money. Good evening. Cdc. 24. My name is Danielle Chance. I am a school construction authority. I've been with my agency now for about 10 years.

118

00:19:12.480 --> 00:19:26.440

D24 CEC24: CC. 24. For inviting us to come and do our annual capital presentation for the community. I'm also a parent in 24. So I'm very

119

00:19:26.440 --> 00:19:37.879

D24 CEC24: invested in our community here, and excited to show you all the work we've been doing in our district. Thank you, Deputy Jones, and I'm so sorry superintendent wasn't able to join us tonight

120

00:19:37.900 --> 00:19:59.560

D24 CEC24: while we're giving my presentation. I thought I would just tell you guys about our agency and what we do so. Construction, authority. What what we do is that we annually have a budget. And we look at capital plan, needs for our schools across all 5 boroughs. We do creation of new schools.

121

00:19:59.850 --> 00:20:13.619

D24 CEC24: whether that be a new site or leasing space to renovate space and putting a school organization to that site. We also look to maintain our existing school buildings

122

00:20:13.620 --> 00:20:33.720

D24 CEC24: with our partners at division school facility. Tonight I'm joined by 2 of our colleagues from Dsf. Miss Elizabeth and miss. I'm sorry. So together, between school construction authority and Dsf, we're able to get all the names of the school buildings.

123

00:20:33.810 --> 00:21:02.189

D24 CEC24: What is schools, construction housing? We do our daily day to day maintenance in our buildings, and smaller scale renovations. If you, for an example, if you have a leak in a roof. We need a small repair that would fall with our custodial staff and our Dsf. Colleagues if approved. These replacement, like our 77, is getting then school construction will come in.

124

00:21:02.210 --> 00:21:28.760

D24 CEC24: So while we're here and we're on this beautiful building, I'll tell you a little bit about the project that we have at your building. We're currently performing almost 20 million dollars here at this site, and it's complete with exterior masonry work. New roofs are being installed. New windows. The facility is getting on the windows. We're performing flood elimination, power plant work.

125

00:21:29.270 --> 00:21:34.840

D24 CEC24: And I think that's my colleague. Our colleagues are also.

126

00:21:35.160 --> 00:21:44.890

D24 CEC24: We've already started cafeteria program here as well. And I know you have some funding from your local council person, and there'll be water fountain upgrades going on.

127

00:21:45.310 --> 00:22:13.780

D24 CEC24: Okay, yeah. So our big project is going right now, and the funding for the water fountains came out in July, so I would suspect, maybe by spring those projects would start taking off, and the cafeteria project is also a rolling project. The scaffold here should

128

00:22:13.780 --> 00:22:25.470

D24 CEC24: be up until at least October of 2025 next school year. Yeah, what they're providing. And we're in an older building. So if we don't come across

129

00:22:25.500 --> 00:22:39.569

D24 CEC24: any unforeseen conditions, correct? We should. We should continue to plow through it. Yes, okay. So I think that was good talk a little bit. I'll skip a couple of slides that are in there now.

130

00:22:43.360 --> 00:22:49.621

D24 CEC24: but I'm I'm sorry I'm gonna move up there, just so I can see a little better.

131

00:23:09.460 --> 00:23:14.710

D24 CEC24: Oh, he has it, Mike. Yeah.

132

00:23:46.170 --> 00:23:47.070

D24 CEC24: okay.

133

00:23:49.280 --> 00:23:55.390

D24 CEC24: But now that we all know each other, and we've been through our introduction. I'll jump right into our tablet and engagement.

134

00:23:57.155 --> 00:23:57.920

D24 CEC24: Okay.

135

00:24:03.280 --> 00:24:04.892

D24 CEC24: I'll try to.

136

00:24:08.133 --> 00:24:12.079

D24 CEC24: Mike. Is it possible you help me just be able to split this.

137

00:24:12.210 --> 00:24:14.560

D24 CEC24: And we'll move like, for example.

138

00:24:23.293 --> 00:24:24.459

D24 CEC24: Thank you.

139

00:24:39.040 --> 00:24:58.470

D24 CEC24: Okay. So tonight, we're going to talk about our plan highlights. We'll also touch on our capacity program for 2020 and 24 projects, as well as our forward 2025 to 29 capital plan, our capital improvements, our resume portion, and then we'll get to all comments from

140

00:24:58.640 --> 00:25:01.190

D24 CEC24: our community and our CC.

141

00:25:04.340 --> 00:25:24.009

D24 CEC24: So, moving forward with this capital plan amendment, we can have a budget of 20.5 billion dollars, and that is for all 5 boroughs of our New York city schools. Regarding our capacity bucket for the creation of seats, we have a budget of almost 7 billion dollars.

142

00:25:24.100 --> 00:25:40.359

D24 CEC24: Regarding for our capital improvement buildings like ourselves. Here, 77 getting improvements. We have about 7.5 billion dollars of budget. Healthy Schools act. We have 2.2 8 billion. And our mandated

143

00:25:40.640 --> 00:25:46.112

D24 CEC24: bucket of money or budget is 3, almost 4 billion dollars.

144

00:25:48.460 --> 00:25:55.990

D24 CEC24: Some of our mandated programs across the city would include like oil upgrades, things of that nature.

145

00:25:58.080 --> 00:26:27.550

D24 CEC24: some of our highlights here. So it's a little repetitious, but it's broken down into some more categories for us. New capacity is just over 6 billion electrification of our existing buildings. At 1.4 billion technology, we're upwards of a billion dollars accessibility, 800 million physical education space upgrade. This is a big one, right for us, 40 million dollars. And our cafeteria enhancement of 150 million.

146

00:26:29.460 --> 00:26:30.270

D24 CEC24: Okay?

147

00:26:30.765 --> 00:26:56.169

D24 CEC24: Further breaking down with capacity. We're showing a replacement program. Our budget there is for 400 million replacement program means some of our sites that are leased are coming up on their leases. We need to decide. Are we going to release those sites? Are we going to look for new property, build school? That's what the replacement program would mean capacity to support Tcu removals. So we know we've seen a lot of those trailers

148

00:26:56.170 --> 00:27:04.149

D24 CEC24: being removed. Most of them are gone now in the city, especially in queens, and our budget is 200 million. To complete that task

149

00:27:04.860 --> 00:27:14.030

D24 CEC24: playground redevelopment. We have a budget of 50 million set aside from early education, our Ecc. 3 k. 3 k. Is 200 million.

150

00:27:14.590 --> 00:27:20.460

D24 CEC24: Alright. So now we're getting to your district specific highlights

151

00:27:21.460 --> 00:27:28.629

D24 CEC24: within District 24. The last 10 years we have created over 10,000 new seats in this district.

152

00:27:29.245 --> 00:27:49.499

D24 CEC24: That was a big feat, and I'm happy to say we only have 2 small projects that we're looking to complete. Now, one is a new project that would be about 865 seats introducing new capacity. 24. We do not have a location for that yet. So if you guys hear any on sale.

153

00:27:49.530 --> 00:28:00.539

D24 CEC24: let us know. We'll have information at the end of the slide or feel free to pass that back on to our CC numbers. We currently are beginning construction

154

00:28:00.740 --> 00:28:06.249

D24 CEC24: at 69, 0, 2 Queens Boulevard for 451 seats. This project

155

00:28:06.520 --> 00:28:15.629

D24 CEC24: will be ready for occupancy in September of 26, but we'll have some little odds and ends left. That's the name of those schools.

156

00:28:15.970 --> 00:28:30.089

D24 CEC24: So we don't have names yet. 69 0, 2 is a developer building within that building we're going to be creating. We're creating an outfitting that building with seats the DOE. Eventually.

157

00:28:30.090 --> 00:28:53.530

D24 CEC24: probably over the summer of 26. The DOE will tell us what the Cec. The community and the superintendent decide. The name of the building should be, or the name of that schoolyard that we used to be able to let our kids out into it. We can't for last year, this year, probably next year until October. Can you tell us what's going on with that I can. So at the at this moment it's considered a fall zone.

158

00:28:53.530 --> 00:29:01.100

D24 CEC24: So there are regulations, safety regulations. When you're doing brickwork roof work things of that nature. Half the height of the building outwards.

159

00:29:01.210 --> 00:29:14.380

D24 CEC24: random numbers 65, 60, foot, building, half the height 30 feet outwards. You cannot have anybody other than construction personnel, so the majority of your schoolyard is in the full zone. As you know, your school is by 12.

160

00:29:14.790 --> 00:29:26.770

D24 CEC24: It goes out further than the schoolyard, which is why we have sidewalk bridging, going around. I'm sorry.

161

00:29:27.261 --> 00:29:35.989

D24 CEC24: So I can double check. I don't believe there's any major like creation of playground. Because this is a middle school primary school. We would look to do

162

00:29:36.190 --> 00:30:01.049

D24 CEC24: safety masks, things like that. Maybe a new jungle gym. But here damage to the asphalt. Then we would need to re asphalt that, as far as I know, all DOE property, the outdoor space is for recreational purposes. Yeah, I don't. I don't have any jurisdiction on that other than the construction at this time.

163
00:30:07.040 --> 00:30:12.164
D24 CEC24: It's not liking me again. Here, hold on a second. Sorry.

164
00:30:13.250 --> 00:30:15.140
D24 CEC24: Hey? Capital improvements.

165
00:30:15.564 --> 00:30:37.209
D24 CEC24: So this is the slide I kind of spoke about before our presentation got up. What I didn't talk about, though, was, how does the project become a project. So project every year Sca sends our inspectors out to every single school in all 5 boroughs, and we do what's called the inspection. A buildings, condition assessment survey where we rate

166
00:30:37.230 --> 00:30:46.029
D24 CEC24: everything in the building structurally, like electrically, mechanically, and everything gets a rating from one to 5

167
00:30:46.030 --> 00:31:08.129
D24 CEC24: 5 means that the conditions are poor, the poorest the worst. So for an example, with 77, when your masonry conditions got to a 5, when the roofs got to a 5 we came in with a 20 million dollar project in order to get the building watertight, get the building safe and keep it keep sealed appropriately for our kids.

168
00:31:08.417 --> 00:31:13.019
D24 CEC24: At the end of it. It'll look beautiful besides being watersight, because they'll look at the

169
00:31:13.350 --> 00:31:41.309
D24 CEC24: clean and new, and if you want to look at what the final result will look like. We just complete a similar project over at 1 19, and the building has been really restored to its beautiful luster, used to have. So that's 1 way. The second way is our colleagues at Dsf, although they do a fantastic job with our day to day maintenance and the tons of repairs that are always coming at them. They have a specific threshold of budget, which then it has to get passed over to Sca. For us

170
00:31:41.710 --> 00:32:02.360
D24 CEC24: mandated repairs. Those are set by laws that we have to do in Eba compliances such as oil upgrades, Resoe District 24 and majority of queens has very generous elected officials. So principals should and can engage with their elected officials and ask for annual funding for projects.

171
00:32:02.360 --> 00:32:13.920
D24 CEC24: Sometimes that's like more fun. Projects like auditorium upgrades, playground renovations, water fountain upgrades things of that nature. Another way is Pdc requests.

172
00:32:15.100 --> 00:32:32.399
D24 CEC24: CC. Request forms. We'll get to the end. You have priorities throughout the district, and I highly suggest that before those priorities are are put down, please refer back to the vcast report and eligibility so that we can make sure that those requests are.

173
00:32:32.640 --> 00:32:38.559

D24 CEC24: We're not wasting anyone's time going through all that. We want to make sure that what you're submitting to us, we can help

174

00:32:38.590 --> 00:33:02.739

D24 CEC24: go along with our reports. Yeah, and get these projects coming coming together to create the projects. Yeah, because you guys hear from the school on the ground. We're going with our inspectors, of course, which we do encourage principals and custodians to come with us and help to, you know, go through item by item, although it's a long day for everybody, it definitely helps our inspectors to learn what really is

175

00:33:03.416 --> 00:33:08.289

D24 CEC24: troublesome within the buildings. We're only there for a day that everybody else lives in them. Right?

176

00:33:08.540 --> 00:33:15.099

D24 CEC24: Just one question, that budget is that correct

177

00:33:15.260 --> 00:33:31.139

D24 CEC24: bathroom renovations. So I'm not really sure about that to be honest, great under accessibility.

178

00:33:31.890 --> 00:33:40.319

D24 CEC24: Well, when we got the accessibility merge, and so it was 1st floor bathroom.

179

00:33:40.330 --> 00:34:05.910

D24 CEC24: and typically would do a 1st floor. That floor could be accessible for students with disabilities that, you know there's no elevator in the building. It brings the accessibility of the of the school higher, and they give me that

180

00:34:09.578 --> 00:34:30.749

D24 CEC24: I don't know. I'm not 800 million dollars for really like

181

00:34:40.469 --> 00:35:04.060

D24 CEC24: so part of that speaks a little bit point of yes, the our colleagues over at Osp. And and space planning. They will look at a district on a whole and say, Okay, we have fully accessible buildings here, here and here we need one over here, and then we try to work work with them to create that project. But that's not just a bathroom that would be like a full building accessibility similar to what 93 is going to.

182

00:35:04.060 --> 00:35:19.679

D24 CEC24: Yeah, to make a building accessible. Not just. But when we are here doing certain renovations. For example, if we did a if we redid this stage or we redid this auditorium, then that would be looped in to having accessibility money built into that project

183

00:35:19.680 --> 00:35:34.870

D24 CEC24: so random numbers. This cost 500,000 to renovate, not accurate. 100,000 of that needs to be spent. A percentage needs to be percent spent on that for accessibility upgrades. Which means we would need to make accessible Cds

184

00:35:35.280 --> 00:35:53.380

D24 CEC24: chairlift Mini elevator, something like of those along that way. So that's how the accessibility money gets spent to not just looking at a new school, or one school in particular. Anytime. We have a project that would touch upon things that needs to be upgraded, then that is the time it would get updated.

185

00:35:53.680 --> 00:36:00.760

D24 CEC24: But that would be awesome, because maybe you will actually learn who lives that funny because we actually have students that are wheelchair.

186

00:36:01.800 --> 00:36:04.499

D24 CEC24: And as you see, the auditorium doesn't

187

00:36:05.133 --> 00:36:15.079

D24 CEC24: well, actually, I don't know what it is. This auditorium looks pretty good, I'm gonna be honest, you know.

188

00:36:15.896 --> 00:36:30.033

D24 CEC24: will say that another- another good project or another avenue to accomplish that that would make much quicker than waiting.

189

00:36:31.681 --> 00:36:43.510

D24 CEC24: So that chair well, if you get it shaky, it's gonna get worse. But so if it's 1 chair that needs to be helped or needs to be. Then that's

190

00:36:43.950 --> 00:37:13.700

D24 CEC24: I don't know how long they've been here, but I do know that if it's a chair that our custodial staff will be able to address that. If it's something like where you want, then you don't need to wait until it gets to a Number 5 on the Vcast. You can go into your school website right now. The DOE. You can check your buildings condition assessment. You can look up the auditorium seating specifically a line just for seating specifically a line just for the stage, the technology, etc.

191

00:37:13.900 --> 00:37:18.289

D24 CEC24: Yes, it's all listed. If it's not a 5, our budget cannot address it.

192

00:37:18.450 --> 00:37:25.210

D24 CEC24: We have to. Unfortunately, we have to redress the worst of the worst every year, because that's what spares the kids.

193

00:37:25.670 --> 00:37:43.110

D24 CEC24: However, your council person and your borough president can happily help to fund a resume project for your auditorium, and it doesn't need to wait to get to a 5. I can't hear all the different questions at the same time.

194

00:37:43.650 --> 00:37:52.149

D24 CEC24: That's not up to me, but it's feasible. I don't make those decisions on that, but it's eligible.

195

00:37:53.848 --> 00:38:19.519

D24 CEC24: Some of our highlights in District 24. You can see here we have cafeteria upgrades, exterior masonry projects. If you just drive around the district, you'll see those flood elimination, heating plant upgrades, overall, boiler upgrades, kitchen playgrounds, roofs, school safety ventilation, new windows, low voltage, low voltage on fire alarms, your public assembly area.

196

00:38:19.740 --> 00:38:27.239

D24 CEC24: cip photos. Just wanted to show you an example of a Ps 16, we had a Tcu removal bladder automation.

197

00:38:27.490 --> 00:38:47.709

D24 CEC24: I 77. I thought it'd be cool. Maybe you want to see the top of the roofs are looking like here tonight, but geographically, a lot of our kids go to Newtown, and they're going in an amazingly big project as well. By the way, I will skip this one because we just talked about it created by our elected officials

198

00:38:48.440 --> 00:39:02.299

D24 CEC24: some of the highlights that we have here right 1st and center auditorium, currently, 37 projects, over 11 million dollars that are being funded by your elected officials. They also do libraries, playground science labs, and electrical upgrades.

199

00:39:02.790 --> 00:39:15.599

D24 CEC24: Miss. miss. Danielle, I have a question like, if like one of the school visit which I visited. Ps. 13. They are in need of a place loan, so they should go from reserve. A funding right?

200

00:39:16.390 --> 00:39:32.290

D24 CEC24: Yes, yes, 13, and they need. They are in a need of a playground. They don't have an official playground. They don't have enough playground official one. They have a small area play area, but not official playground as such.

201

00:39:32.290 --> 00:39:57.100

D24 CEC24: so should they go for resume shape. It has the addition, and it's just asphalt in the back. Yes, yes, it has a area which they use for parking play area for the kids, and they don't have an official playground right? And then they have IP students there, a lot of

202

00:39:57.100 --> 00:39:59.820

D24 CEC24: like those students also.

203

00:39:59.820 --> 00:40:11.450

D24 CEC24: So I just wanted to know, like, because they were telling me they have been raising this thing for years. They need a playground. So is it under sca? Or is it under resort?

204

00:40:11.930 --> 00:40:41.209

D24 CEC24: So so that's kind of a tricky question to answer, because what you have there now is just asphalt, so the rating would be based just on the asphalt, a creation of a new playground complete with safety, equipment and climbing equipment rather, and the maximum that could be ascertained through elected official resolution. And also like, if there are. Like, okay with Ps 13, it's okay. And what about the

205

00:40:41.210 --> 00:40:50.569

D24 CEC24: other projects? Like you have been taking with like Ps. 13, which another school Anthony J. Presentzo in Glendale?

206

00:40:50.730 --> 00:41:02.306

D24 CEC24: So they have roof leakages and that sca start has been in correspondence with them since last year. But the construction and everything repairs has not.

207

00:41:02.720 --> 00:41:27.659

D24 CEC24: So we had conversations with the principal. Last year we were completing design on the exterior modification project that needs to come that includes brickwork, roof, and roof drains. It does not include a playground, ma'am? No, it also has playground problems. The playground problems are existing, and again, that portion of the playground is is they had, I think a pipe or something years ago, maybe

208

00:41:27.660 --> 00:41:52.029

D24 CEC24: years ago, and when they when the school or or however it was fixed, they just relayed asphalt. But there! So there's the green painted area, and then the strip of asphalt, but the playground part itself. I know the school just redid not too long ago, with the safety service right? And they have this. And and also they have this.

209

00:41:53.500 --> 00:41:54.330

D24 CEC24: Oh.

210

00:41:54.500 --> 00:42:09.249

D24 CEC24: this. So I'm gonna turn this over to okay. And I just want to complete one more thing, they have this A/C air conditioning problems also.

211

00:42:13.030 --> 00:42:13.760

D24 CEC24: Excuse me.

212

00:42:13.970 --> 00:42:22.389

D24 CEC24: So okay, I promise, I promise something else.

213

00:42:23.000 --> 00:42:32.070

D24 CEC24: So the thing was, they have this air conditioning problem also this, oh, okay.

214

00:42:32.550 --> 00:42:36.029

D24 CEC24: relax. No, no, I'm just saying.

215

00:42:40.650 --> 00:42:48.069

D24 CEC24: okay, I'll repeat myself. That's okay. I understand. Let's let's just she heard what? She

216

00:42:48.230 --> 00:42:50.659

D24 CEC24: Nope, so so it was.

217

00:42:51.529 --> 00:42:57.409

D24 CEC24: So if we have one mic, how should I? I should not. I cannot come back and told them.

218

00:42:58.580 --> 00:43:01.460

D24 CEC24: okay, let's let's just.

219

00:43:02.160 --> 00:43:10.533

D24 CEC24: And I think it would be done.

220

00:43:14.660 --> 00:43:30.720

D24 CEC24: Yeah, okay. So my question was like, they have these exterior things which were taken care of already. And they have this like air conditioning system also inside the school. So is- is it is that comes under your.

221

00:43:35.768 --> 00:43:59.210

D24 CEC24: So if there is any.

222

00:44:32.240 --> 00:44:48.620

D24 CEC24: how did you guys think you got 20 million dollars. So we're always done within a moment, you know.

223

00:45:00.685 --> 00:45:06.739

D24 CEC24: Think we should be respectful. And fortunately

224

00:45:17.820 --> 00:45:35.530

D24 CEC24: okay. So school construction is mandated to do a presentation, or at least have the community have an annual presentation done. By that I'm happy. I was able to give the community their annual presentation tonight. So Cdc will have us on digital copy. Feel free to ask any questions

225

00:45:36.400 --> 00:45:37.320

D24 CEC24: bye, bye.

226

00:45:54.950 --> 00:46:21.320

D24 CEC24: because you need to tell them what you call them for the Ccn meeting.

227

00:46:30.750 --> 00:46:36.110

D24 CEC24: Okay?

228

00:46:38.290 --> 00:46:43.969

D24 CEC24: 16. And we have a problem with the wall.

229

00:46:47.580 --> 00:46:49.559

D24 CEC24: How's that part?

230

00:46:49.730 --> 00:46:52.050

D24 CEC24: That's not. I have 77. That's

231

00:47:35.690 --> 00:47:37.480

D24 CEC24: well. I'm not looking at this time.

232

00:47:58.640 --> 00:48:06.370

D24 CEC24: Okay, okay, everybody. It was exactly doing everybody

233

00:48:06.670 --> 00:48:12.350

D24 CEC24: 1,000 seats. We'll have to get this meeting underway program

234

00:48:22.330 --> 00:48:24.659

D24 CEC24: if you will allow us.

235

00:48:27.970 --> 00:48:33.659

D24 CEC24: If you let us move ahead with the meeting, you will see what is current. If you have a look at the agenda, you will also see.

236

00:48:34.060 --> 00:48:39.090

D24 CEC24: Okay, everyone. So moving ahead

237

00:48:46.540 --> 00:48:59.819

D24 CEC24: tonight, we have resolution number 1, 73. It's been authored by myself, co-sponsored by Tanya and co-sponsored by Anna Wilson at this time we're having Michael, or if you come back.

238

00:48:59.990 --> 00:49:04.379

D24 CEC24: we certainly read the resolution. This is the 1st question that affects your story.

239

00:49:04.620 --> 00:49:10.580

D24 CEC24: We just had. We had good experience.

240

00:49:12.760 --> 00:49:15.119

D24 CEC24: wrong place. You're in the wrong place.

241

00:49:16.830 --> 00:49:29.230

D24 CEC24: and we'll have your. We'll have your voice.

242

00:49:34.680 --> 00:49:37.796

D24 CEC24: Alright. Resolution. 1, 73,

243

00:49:39.640 --> 00:49:54.099

D24 CEC24: sponsored by Connie altoredo, and written by Matt precillo resolution to oppose the proposed

co-location of Queens International School.

244

00:49:56.090 --> 00:50:09.299

D24 CEC24: whereas the New York City Department of Education has proposed the co-location of Queens International School

245

00:50:09.560 --> 00:50:13.590

D24 CEC24: Q. 8, 49, with Joseph F. Quinn. Intermediate school

246

00:50:13.760 --> 00:50:37.949

D24 CEC24: is 77, located at 976, Seneca Avenue, Ridgewood, New York, 1, 1, 3, 8, 5 for 2025, 2026, school year, and whereas a similar co-location, involving push with leaders, high school grades 9 through 12 temporarily occurred at is 77 for 2 years during the building upgrades, causing significant disruption to is 77 students and creating traumatic experience

247

00:50:37.990 --> 00:50:45.590

D24 CEC24: experiences for the is 77 community which is reflected in recent enrollment numbers is 77, whereas the proposed

248

00:50:45.850 --> 00:51:07.620

D24 CEC24: co-location will introduce grades 6 through 12 into a building originally designed to accommodate a single school which includes facilities such as a cafeteria, with a maximum capacity of only 500 students at a time, having to break up lunch periods for i. 77 and Q. 8 49, would allow 13 min for each student to eat lunch. It is not logically possible without extending the current lunch time.

249

00:51:07.720 --> 00:51:29.210

D24 CEC24: whereas the co-location will create logistical challenges and safety concerns due to shared spaces such as hallways, cafeterias, and restrooms, including the lack of adequate facilities, notably one only one men's lavatory on the 4th floor, and no female laboratories on that floor, and whereas is 77 staff and students during the public hearings

250

00:51:29.210 --> 00:51:46.529

D24 CEC24: express that the previous co-location caused numerous families to leave the school reducing enrollment, and that the proposed co-location could further decrease enrollment at Q. 8, 49 actively recruit students from is 77 feeder schools and select public statements claiming otherwise.

251

00:51:46.960 --> 00:51:56.479

D24 CEC24: And whereas is 77 has a long history of warmly welcoming and educating newly arrived immigrant students without issue, demonstrating its ability to serve

252

00:51:56.620 --> 00:52:04.489

D24 CEC24: diverse populations effectively, as the co-location will diminish their efforts to assimilate newcomers to the district and welcome to their community.

253

00:52:04.920 --> 00:52:28.630

D24 CEC24: whereas a joint public hearing was held on November 13, th 2024 is 77, with another virtual hearing scheduled for December 9, th 2024 at 6 Pm. And whereas, despite these hearings, the new Nyc.

DOE has not provided sufficient data or detailed information regarding the potential impact of the proposed co-location on is 77 student staff and the broader school community.

254

00:52:28.630 --> 00:52:46.249

D24 CEC24: Now, therefore, be it resolved That the Community Education Council, Cec. 24 opposes the proposed co-location of Queens International School, Q. 849 with is 77. And, be it further resolved, the Cec. Urges Nyc. DOE to reconsider the proposed

255

00:52:46.250 --> 00:53:08.350

D24 CEC24: proposal and explore alternative locations better suited to the house grade 6 through 12, without adversely affecting existing schools and communities, and be a further resolved that the Cdc. 24, request, that is, 77, be given the opportunity to rebuild its enrollment and programs in the wake of recent challenges, with no additional co-locations, considering.

256

00:53:08.350 --> 00:53:20.620

D24 CEC24: Consider until at least 2026 to 2027 school year, and be a further resolved. Cec. 24 advocates for the implementation of programs at both the school and district levels

257

00:53:20.670 --> 00:53:23.399

D24 CEC24: to increase is 77. The enrollment.

258

00:53:23.590 --> 00:53:39.750

D24 CEC24: including expanding, expanding the district's dual language program, currently serving K grades K through 5 into middle school grades, as well as other innovative initiatives. To serve the community and strengthen is 70 seven's role as a cornerstone of District 20

259

00:53:40.010 --> 00:53:40.810

D24 CEC24: 4,

260

00:53:44.570 --> 00:53:49.250

D24 CEC24: hey? Do we vote on this 1st and then let them talk, or we talk and then vote.

261

00:53:49.780 --> 00:53:59.869

D24 CEC24: okay, so we're gonna open up the floor for public speaking.

262

00:54:00.100 --> 00:54:10.270

D24 CEC24: So the public speaking conference before the public comment is a gorgeous resolution. This resolution is to

263

00:54:11.470 --> 00:54:17.489

D24 CEC24: okay. So now we're going to open the floor. The floor will be open. Regarding resolution number 1, 73

264

00:54:17.850 --> 00:54:21.540

D24 CEC24: parents are allowed to speak. Anybody who's allowed to speak. You have 2 min.

265
00:54:21.770 --> 00:54:24.889
D24 CEC24: This is to oppose co-location.

266
00:54:31.582 --> 00:54:39.190
D24 CEC24: The way it works is the resolution is read, then it's bad, then the public speaks upon it.

267
00:54:39.420 --> 00:54:41.588
D24 CEC24: This is the issue, I think.

268
00:54:42.730 --> 00:54:53.270
D24 CEC24: Don't agree. This is to support you. Yes, so do you. Anyone wants to. Anyone is against this. No, no, okay. So no one wants to speak at this part. We're just going to go straight to voting correct.

269
00:54:53.390 --> 00:54:57.169
D24 CEC24: Thank you, Michael. Let's vote. Got it.

270
00:54:58.974 --> 00:55:00.950
D24 CEC24: Thank you so much.

271
00:55:02.110 --> 00:55:05.660
D24 CEC24: So this resolution is, yes.

272
00:55:05.820 --> 00:55:14.760
D24 CEC24: if everyone here says yes, and we get 7 votes. It passes, it goes to the pep. The pep reads this, so now they have. They understand that this

273
00:55:15.510 --> 00:55:25.180
D24 CEC24: educational council is against the co-location. If anyone here says No, that means they're supporting the co-location.

274
00:55:25.670 --> 00:55:27.030
D24 CEC24: Now we can both.

275
00:55:27.230 --> 00:55:31.590
D24 CEC24: Alright. I'm gonna read down the names, and you say yes, no, or abstained.

276
00:55:33.470 --> 00:55:38.660
D24 CEC24: Yes, but can we add Anna as the co-sponsor?

277
00:55:39.200 --> 00:55:46.520
D24 CEC24: Yeah, colleen? Yes, Matt. Yes, Maddie.

278
00:55:47.700 --> 00:55:49.550

D24 CEC24: give me one second to unmute you.

279

00:55:52.800 --> 00:55:53.940

Mati Gonzalez: I have seen.

280

00:55:57.980 --> 00:56:13.660

D24 CEC24: Don't log off Manisha. Yes, Hannah, me! Yes, Veronica's not here, Joanna.

281

00:56:14.200 --> 00:56:16.119

D24 CEC24: And well, yes!

282

00:56:16.830 --> 00:56:18.010

D24 CEC24: Oh, my gosh!

283

00:56:24.930 --> 00:56:25.630

D24 CEC24: On the ground!

284

00:56:29.292 --> 00:56:36.175

D24 CEC24: So that passes to one obscene and one non right.

285

00:56:38.090 --> 00:56:48.270

D24 CEC24: Explain to them what's going on, because many of our parents don't understand what the T is. Many of our parents don't understand. Can you explain to them what is exactly

286

00:56:52.050 --> 00:56:56.050

D24 CEC24: learning.com?

287

00:56:59.590 --> 00:57:16.530

D24 CEC24: We just want to do a blurb.

288

00:57:17.740 --> 00:57:25.489

D24 CEC24: She's the school leadership team, or she's the Pta. She's the Pta President.

289

00:57:27.199 --> 00:57:33.430

D24 CEC24: You want to know what is what this is. The CC correct

290

00:57:34.000 --> 00:57:43.590

D24 CEC24: everyone. So what a CC. Is

291

00:57:44.260 --> 00:57:49.209

D24 CEC24: us. We are elected up here every 2 years. Our lecture hurts. It's coming up this year in June.

292

00:57:49.900 --> 00:58:03.499

D24 CEC24: Circular one for the positions you vote. Now, when we come in here, we meet with the superintendent's office. We work with the district office. We work with the Chancellor's office. We work with States, but the main thing that we answer to is to you.

293

00:58:03.770 --> 00:58:05.229

D24 CEC24: We answer to you.

294

00:58:05.420 --> 00:58:07.070

D24 CEC24: There's a good way to look at this.

295

00:58:07.220 --> 00:58:08.930

D24 CEC24: The Csa. Has a unit.

296

00:58:09.250 --> 00:58:10.870

D24 CEC24: The Us. Team has a union.

297

00:58:11.170 --> 00:58:17.209

D24 CEC24: We're your union. We're the voice of the parents of this district. We are here to fulfill your wishes.

298

00:58:19.020 --> 00:58:27.119

D24 CEC24: the advocate for students. I have my 2 trains, 2, 2 9, I advocate for every school in this district. As a

299

00:58:27.280 --> 00:58:43.589

D24 CEC24: this issue, there's numerous issues district. I've always stood behind what the parents want. They know their schools. That is what a Cec. Knows. We advocate for everybody. If the student does have Iep services, we'll advocate for that. Being kind of Iep today.

300

00:58:45.370 --> 00:58:46.679

D24 CEC24: That's all in here.

301

00:58:47.640 --> 00:58:55.229

D24 CEC24: So safety concerns issues like this school construction. Any issue you have. We're your voice

302

00:58:55.560 --> 00:58:59.740

D24 CEC24: now. We do have above us. There's a division called Pat

303

00:59:00.380 --> 00:59:10.780

D24 CEC24: Pep is appointed by the mayor's choices and some other elected officials. The next hurdle regarding this process to protect 77 in the community is the pep.

304

00:59:11.970 --> 00:59:16.150

D24 CEC24: This letter, this resolution we just passed will be sent to the Chancellor and the patent.

305

00:59:16.600 --> 00:59:22.900

D24 CEC24: What Paris have to go to this cut meeting? We're one hurdle we got this one done.

306

00:59:23.070 --> 00:59:24.760

D24 CEC24: The next hurdle is pat.

307

00:59:25.320 --> 00:59:33.009

D24 CEC24: Have to have the people there to have students there. That is the strongest voice, that's all we talk.

308

00:59:33.620 --> 00:59:37.190

D24 CEC24: We've had a lot of meetings. We've had a lot of Walkthroughs.

309

00:59:38.590 --> 00:59:44.509

D24 CEC24: My personal opinion is my very, very personal opinion. I represent you so I don't care. What do I accept?

310

00:59:44.640 --> 00:59:45.360

D24 CEC24: But

311

00:59:45.710 --> 00:59:56.910

D24 CEC24: if they thought that this was easy, like just coming here and just step all over 77, they would not have had a walk through, they would not have had another meeting. They would just say, You know what

312

00:59:57.920 --> 00:59:59.319

D24 CEC24: very easy!

313

01:00:00.500 --> 01:00:06.759

D24 CEC24: And the Walkthrough was very. And when people go to that

314

01:00:07.690 --> 01:00:18.960

D24 CEC24: some issues that would walk through. Oh, international comes in. We'll redo your library. If International comes in, we'll need more bathrooms. We'll need water filling stations

315

01:00:19.560 --> 01:00:25.100

D24 CEC24: when this goes to a pet or somebody speaks to any pet members, why is that not done now?

316

01:00:25.450 --> 01:00:43.189

D24 CEC24: Why is it only when we'll do everything for them. But what is it? Garbage is that they're fine. Now, this is what was taught to us, and this would be show the true colors. Last week as a councilman

317

01:00:43.350 --> 01:00:52.430

D24 CEC24: they were just. Parents were disrespected, teachers were ultimately disrespected by saying, Oh,

International is coming in. We know how to take care of these students

318

01:00:53.170 --> 01:01:07.959

D24 CEC24: through that. You people are here. You're on the ground. Nobody. I want to have a school that are newly arrivals, and 77 said, we don't want you here. We can't service you. Please go somewhere else. Oh.

319

01:01:08.030 --> 01:01:32.510

D24 CEC24: that's not this community that is not this community. You welcome everybody, and you have all of the 24 schools. Have. I have not heard one complaint in the superintendent's office, or anybody complaining where students haven't turned away. We don't need Queens international coming here and do a job that's already being done. You want to duplicate services, go somewhere else. That's not doing the job.

320

01:01:36.990 --> 01:01:37.940

D24 CEC24: Rowany.

321

01:01:39.010 --> 01:01:40.589

D24 CEC24: That's what a Cec does.

322

01:01:40.710 --> 01:01:42.439

D24 CEC24: We had a video.

323

01:01:42.730 --> 01:01:50.130

D24 CEC24: Whatever you need. My phone numbers all over the place. You go in here. You'll find my phone number call me all the time. Text me, anytime

324

01:01:50.430 --> 01:01:53.020

D24 CEC24: we're here. That is our job.

325

01:01:53.750 --> 01:02:10.510

D24 CEC24: If you don't like us we wouldn't be at this point right now.

326

01:02:11.990 --> 01:02:13.100

D24 CEC24: 40

327

01:02:13.350 --> 01:02:40.749

D24 CEC24: plus schools and man and I have visited every school. How do you get 20 million we're supposed to if we all get assigned to school, so we divide the school, so we all have. They have to complete those forms, saying, Oh, this! The tabs were broken on the 4th floor of the bathroom, and then then we start talking to Danielle. And we say, Danielle, what's going on? The orator is a mess, that the whole

328

01:02:40.750 --> 01:02:59.979

D24 CEC24: the cafeteria is destroyed, whatever the window is leaking from the rain, whatever flooding whatever. That's our job. Now, the CC members do not complete these school visits, and it's time to give in a report to Danielle and tell her what we need, because we have to select schools correct.

329

01:03:00.020 --> 01:03:07.600

D24 CEC24: Well, then, guess what? Let me miss. One year. The schools the schools are. If they're not visited, we don't know what's going on in those schools.

330

01:03:07.770 --> 01:03:08.560

D24 CEC24: right?

331

01:03:08.970 --> 01:03:19.920

D24 CEC24: So that's that's something else that falls on us. And I will ask, and who here has completed their school visits. Raise your hand. Whoa! You raise

332

01:03:20.890 --> 01:03:25.089

D24 CEC24: actually 2. I saw 2 left

333

01:03:27.860 --> 01:03:37.930

D24 CEC24: all of our schools. You know we're not doing our job. We have to visit the schools.

334

01:03:38.650 --> 01:03:44.950

D24 CEC24: So let's move on because I want to keep you here. The 1st speaker is Yvonne.

335

01:03:47.310 --> 01:03:49.910

D24 CEC24: Is this the resolution? Speak, or

336

01:03:51.435 --> 01:04:18.460

D24 CEC24: I want to say thank you to this A/C for actually like reading, listening to, you know what we have to say, because, like all the emails we send, like all the meetings that we did know, if, like, you know, the decisions already been made. And oh, they're just gonna go with their side, because, you know, they're the higher up. So thank you for like having your own opinion, your own mind

337

01:04:18.460 --> 01:04:22.370

D24 CEC24: and listening to our school, and it's like exceptional like.

338

01:04:22.570 --> 01:04:39.229

D24 CEC24: We'll probably like closer to the shout out to thank all of you, all of you for coming, you know, on your busy schedule to, you know, to to help us. No, all, not all of them showed up today. So thank you.

339

01:04:39.663 --> 01:05:03.509

D24 CEC24: But the main idea is we didn't want anyone overlapping. Our school was like really disrespectful. You know, we're 6 to 8, you know. We have a new principal. She's been here for one year, and she like math scores from for like 14% like, imagine if you give her the full 5 years

340

01:05:03.510 --> 01:05:12.409

D24 CEC24: as a new principal, what she can achieve with our students. We've been doing so many open houses we've been, I'm sure. Whoever can see the enrollment numbers ours has

341

01:05:12.410 --> 01:05:37.149

D24 CEC24: definitely been going up. I don't even have to see it. I know it like I've seen feedback from parents at 88, and like other parents, and everyone's just very impressed with school. So yes, we don't want them to overlap our school like, if they did want to come in, we would have been like, Okay, maybe 9 to 12, maybe, but like our teachers already, have been doing an exceptional job. So that, like you said, really, really.

342

01:05:37.150 --> 01:06:00.019

D24 CEC24: one year. And then to our our, we have 34% here. So telling us our teachers are not doing the job. It's just completely disrespectful. Yeah. So however, you want to like to, you know, reach out to the tech leaders.

343

01:06:45.010 --> 01:07:07.990

D24 CEC24: Okay, so let me start by saying to the members here that are on our side, I thank you for those members that they give us a great look. I thank you. The rest I need to speak about as far as the President again. I I don't even want to mention her name. But you know there's a thing as such a thing as the note of confidence.

344

01:07:07.990 --> 01:07:15.170

D24 CEC24: and I have to tell you someone like Connie Matt, you sound terrific for the job. Think about it.

345

01:07:15.420 --> 01:07:19.629

D24 CEC24: If to vote for you or Connie, I will.

346

01:07:19.740 --> 01:07:36.159

D24 CEC24: Well, let's move on. We need to think about our next steps, because apparently I have a feeling this is going to happen. I think it's set in stone with all that said, we gotta think about our kids.

347

01:07:36.800 --> 01:07:49.100

D24 CEC24: We have a population of students with special needs. We need the space for them. Our children with special needs are getting tests, not just we're not talking about just the city test.

348

01:07:49.100 --> 01:08:14.179

D24 CEC24: We're talking about everyday tasks in class. They need to be pulled out. Our elves, you know. The other school talks about the students, our elves. You talk about them, then let us get our space so we could pull out them for our services and help them better. We take all our elves, whether they have 4 years, whatever the years are here.

349

01:08:14.180 --> 01:08:25.359

D24 CEC24: And now we're gonna have a school that's going to take away from that also, as the parents said, and it was definitely fall. This is the 1st year without a high school. Give us a chance.

350

01:08:25.510 --> 01:08:42.909

D24 CEC24: Give us a chance. Give us school, give the school bills, give us all a chance as a community, because otherwise it's not going to work. And again, this is about our kids. Another thing, I don't know who made some decisions about. We have 35

351

01:08:43.020 --> 01:09:09.839

D24 CEC24: people walking around. I do not know who made the decision of only 2 sot members. We're so teams. We know our rights and only 2 members were invited. I hope that you guys are invited and the rest the entire. So team members are invited to make decisions when they try to take up space event. We know our rights that we were invited. Who made that decision.

352

01:09:09.880 --> 01:09:23.480

D24 CEC24: Who made that decision? Where was the Union? Where was everybody else? Only 2 people, and to those 2 people that represented us? Thank you, Mrs. Thank you. And to the Pta President, thank you so much.

353

01:09:28.069 --> 01:09:35.199

D24 CEC24: Okay, thank you. Thank you. I just have a quick question. Is there anybody in here that is representing international schools.

354

01:09:35.859 --> 01:09:46.159

D24 CEC24: Nobody right? So they claim they wouldn't want to collaborate with us. And they wanna make this work. And they don't show up to this meeting. I bet you some of them are on that zoom call

355

01:09:46.613 --> 01:09:55.359

D24 CEC24: but here's the thing. If they really wanted to collaborate, what they would have done was a 9 to 12. In fact, if they really wanted to collaborate, what they would have done is they would have talked to us first.st

356

01:09:55.550 --> 01:10:03.739

D24 CEC24: That didn't happen. That means there's higher ups doing whatever they want. What 30 to 40 people ask them about their flight to the 4th floor.

357

01:10:03.790 --> 01:10:33.579

D24 CEC24: Tell them my name is David Montez, and that's why they walked up there. But here's the thing we want to make sure. We want to make sure that our kids are taken care of. We want to make sure that we're going to continue to do the things that are right for our kids. So here's my main message to anybody who's listening, whether it be on that zoom call, whether they're in the district office and they're sick and didn't decide to show up, or they're part of any other office or part of the international, whatever team they are. Here's the thing. You are not going to bully the studios.

358

01:10:33.700 --> 01:10:38.459

D24 CEC24: You are not going to bully the Julios you are not going to bully. Let's talk about it.

359

01:10:38.840 --> 01:10:45.880

D24 CEC24: even though I know what's going on. I know what's going on. And you know, you think we're little teachers we're part of, and we don't know what goes on. We know what goes on.

360

01:10:46.140 --> 01:10:49.350

D24 CEC24: We know what those are. Ms. Bovios has been mighty fight.

361

01:10:49.950 --> 01:10:51.980

D24 CEC24: and I don't think that's by choice.

362

01:10:52.340 --> 01:11:02.869

D24 CEC24: I think that she's being told to be quiet. I think that her higher up is being told to be quiet, and I think the higher ups over there are making those decisions. So I hope that they're listening to me. And

363

01:11:02.900 --> 01:11:26.840

D24 CEC24: for this message for me. My name is Nathan. I'm just a regular teacher, that is all. But you make sure that international school knows I'm an E and L. Teacher, that's why this means so much to me. But you make sure you tell the district people you make sure you tell them the game stopped here. The competition is on so they could go into our elementary schools. They could try to recruit Elizabeth Demczyk. Where are you?

364

01:11:27.620 --> 01:11:37.469

D24 CEC24: That's the principal of the other school that's coming in, but I don't call her principal, because she's not a principal here. She's just Elizabeth here, so tell her tell her the competition is off.

365

01:11:39.740 --> 01:11:46.350

D24 CEC24: Well, Elizabeth, the competition is on a little, Buddy told me she lived within the area. That doesn't scare you.

366

01:11:46.480 --> 01:12:07.700

D24 CEC24: That doesn't scare me at all. Let her know the competition is on. I told everybody in the last meeting. Give her 5 years. Actually, it's less than that. But you give her 5 years come back to me, I will be the one to tell you I told so 5 years ago. She will not be here. Oh, by the way I like you. I like you. Let's go live.

367

01:12:13.020 --> 01:12:15.899

D24 CEC24: The next speaker is Camille, a student of 77.

368

01:12:23.520 --> 01:12:28.379

D24 CEC24: So hi! My name is Tanil. I'm a someone of ism seller.

369

01:12:33.808 --> 01:12:38.110

D24 CEC24: I'm here to think about some things

370

01:12:38.800 --> 01:12:49.189

D24 CEC24: first.st I'm an immigrant. I came here 4 months ago. I was so well welcomed in here. My experience when I came here and signed up for the school was one of my friends.

371

01:12:49.320 --> 01:13:10.190

D24 CEC24: Mom, talking to my mom about that she's registering with this school because the high schools on and they had a bad experience with the high school, but she knows that their school is good and she believes in the potential that they have, but it wasn't well used because of the high school here. So

372

01:13:11.155 --> 01:13:30.769

D24 CEC24: so so later, after that, I was talking with my friends. It mostly happened in the drama room, and we were talking about the traumatic, because that's the best word to use about the experience we had in the High School last year.

373

01:13:30.930 --> 01:13:39.812

D24 CEC24: It was worse than how what I thought it would be. It was like listening to a horror story like once I read on it like that. So

374

01:13:40.750 --> 01:14:01.750

D24 CEC24: I think that it's a good idea, the International School, but not in a school that had an unpleasant experience last year it could be done in any other place, and I'm sure that the people in the school know how to well treat new immigrants, because they have everything that they could use. So they had a good experience and a good learning place, you know.

375

01:14:02.040 --> 01:14:26.309

D24 CEC24: So I think that this, the school, like the plan of the school is good and it should be done somewhere else where it's happily welcome. Know where the local community is gone, is going to feel betrayed, unheard, and as if they don't wants and needs do not matter to the authorities, and also how some of the parents and staff said.

376

01:14:27.380 --> 01:14:39.930

D24 CEC24: It's not even a year. How many 6 months we haven't been with the house a year, and I feel like they should really breathe, you know, like we're not. We're not capable of having them

377

01:14:41.272 --> 01:15:05.589

D24 CEC24: said like, Oh, my God! Thank you, guys for coming. But I know that people here might not go their job right now because they're here and they're not here. The parents are not here to drink tea and talk, and the kids are not here to play Tiktok. So they're here because they and the staff I'm not gonna forget about the staff. The staff is

378

01:15:05.590 --> 01:15:11.547

D24 CEC24: is here, but they should be in their houses, enjoying popcorn and watching Christmas movies so.

379

01:15:15.910 --> 01:15:25.799

D24 CEC24: and the children themselves, they care about their future, and they want to learn, and they think that their voices should be heard. Thank you. Guys

380

01:15:37.770 --> 01:15:42.570

D24 CEC24: love you. What happened to you is that

381

01:15:43.500 --> 01:15:49.020

D24 CEC24: that's an immigrant job from plan. There you go, but we but we suffer concerns.

382

01:15:50.270 --> 01:15:56.598

D24 CEC24: Hi! My name is Delilah for those who don't know me, most of you. My face, I hope you like it.

383

01:15:57.860 --> 01:15:59.579

D24 CEC24: Thank you.

384

01:16:00.990 --> 01:16:09.730

D24 CEC24: 1st of all. Thank you for coming for those who are here for those who been here since day one. I thank you for me. Thank you so much.

385

01:16:09.860 --> 01:16:11.320

D24 CEC24: Thank you for showing up.

386

01:16:11.550 --> 01:16:21.150

D24 CEC24: But Vanessa I was there.

387

01:16:21.610 --> 01:16:24.889

D24 CEC24: according to them. Yeah, I didn't invite the pet.

388

01:16:25.730 --> 01:16:27.969

D24 CEC24: None of you have to send an email to their pet

389

01:16:28.350 --> 01:16:35.530

D24 CEC24: not up to us. That was it. Connie was there. Charlie was there. Yeah. And she said, because I asked.

390

01:16:35.690 --> 01:16:43.770

D24 CEC24: Why is it that we are talking. We keep talking to international international, to everything, not here today. I don't know where they are.

391

01:16:44.250 --> 01:16:52.120

D24 CEC24: but they talk to everything right. But why is it that's supposedly the pack didn't get invitation from Ya.

392

01:16:53.030 --> 01:16:58.959

D24 CEC24: who was supposed to send the invitation. It wasn't us we have no contact with that. Yeah.

393

01:16:59.090 --> 01:17:01.049

D24 CEC24: Oh, okay, that's elderly.

394

01:17:01.160 --> 01:17:11.340

D24 CEC24: That's crazy because I think they should be here. Shouldn't they be here in the community? Shouldn't the ones who are taking the decision for our school be here to listen to us?

395

01:17:13.170 --> 01:17:21.419

D24 CEC24: Where are they again? Why can we keep electing these people that don't show up for the

community?

396

01:17:22.080 --> 01:17:30.330

D24 CEC24: And with all the respect, my love, why do y'all keep postponing a voting decision for a person who never shows up for us

397

01:17:30.610 --> 01:17:33.489

D24 CEC24: all these 3 meetings that we have had.

398

01:17:33.700 --> 01:17:39.809

D24 CEC24: I've only saw her one time, and she never spoke, which was the 1st meeting for that we did on Zoom

399

01:17:41.080 --> 01:17:43.909

D24 CEC24: Matt spoke. County spoke. I spoke

400

01:17:44.160 --> 01:17:48.949

D24 CEC24: Mr. Montell spoke. Miss, everybody spoke. Why.

401

01:17:49.350 --> 01:17:53.420

D24 CEC24: why do we keep putting people to represent us?

402

01:17:53.780 --> 01:17:59.990

D24 CEC24: Why do we have him postponing just elect a new person who's gonna show for up for us?

403

01:18:00.820 --> 01:18:08.089

D24 CEC24: Second thing, I since day one very shady business with this whole thing.

404

01:18:08.320 --> 01:18:11.380

D24 CEC24: the moments who started you're not even 3 days

405

01:18:11.820 --> 01:18:19.609

D24 CEC24: we got the 1st notice, 1st meeting. According to them, we spoke to the parents about it, which we never did, because, remember, we got it in the afternoon.

406

01:18:20.510 --> 01:18:24.619

D24 CEC24: and then exactly the same thing

407

01:18:25.630 --> 01:18:30.950

D24 CEC24: the same day. So if I need to show up for us, please, because I'm tired

408

01:18:31.080 --> 01:18:38.640

D24 CEC24: of international showing up, I'm tired. Everybody only us showing up for our school. Now is your turn.

409

01:18:38.850 --> 01:18:45.400

D24 CEC24: Y'all need to show up for us. Y'all need to represent us, and y'all need to advocate for us, because you already heard us.

410

01:18:46.360 --> 01:18:48.669

D24 CEC24: I am sick and tired of this. Honestly.

411

01:18:49.060 --> 01:19:04.570

D24 CEC24: the day of the meeting. We asked them, Why are we going to the 3rd floor because they were only using the 4th floor right the 4th floor? We asked them. I asked him. He kept avoiding my question

412

01:19:05.000 --> 01:19:07.760

D24 CEC24: again. And I interrupted. Because I love interrupting.

413

01:19:08.150 --> 01:19:13.719

D24 CEC24: Ask him again, he said, because we need to figure out because we have 20.

414

01:19:15.354 --> 01:19:18.210

D24 CEC24: We have 29.

415

01:19:18.550 --> 01:19:20.820

D24 CEC24: They're using 25 of our rooms.

416

01:19:21.220 --> 01:19:24.639

D24 CEC24: We have 20 empty, so-called classrooms.

417

01:19:24.770 --> 01:19:34.420

D24 CEC24: but that's not that, including not including our desk room. We have 29, and they're gonna use 25. They're bringing 500 students.

418

01:19:35.160 --> 01:19:42.899

D24 CEC24: We had 300 students last time, with so for one extra security that tells me wrong.

419

01:19:43.680 --> 01:19:50.320

D24 CEC24: And so, according to our security guide, we don't have enough safety agents that

420

01:19:50.780 --> 01:19:57.049

D24 CEC24: this gonna work in our school, if 300 students didn't work, how will 500 work.

421

01:19:57.740 --> 01:20:06.529

D24 CEC24: and I asked them, why don't you send us those students to us, if you are so concerned about filling up our seats that we so call are empty.

422
01:20:06.690 --> 01:20:12.659
D24 CEC24: Why don't you send us the students?

423
01:20:14.770 --> 01:20:16.020
D24 CEC24: According to them?

424
01:20:16.300 --> 01:20:26.070
D24 CEC24: We we cannot, we cannot expand, we are not capable of expanding. We're not capable of taking care of

425
01:20:26.690 --> 01:20:27.990
D24 CEC24: our students.

426
01:20:29.090 --> 01:20:31.680
D24 CEC24: That's what they said they did not came up with.

427
01:20:33.814 --> 01:20:45.910
D24 CEC24: But guess what? No kids come to our school.

428
01:20:46.010 --> 01:20:48.720
D24 CEC24: None of them represent our school

429
01:20:49.700 --> 01:21:00.410
D24 CEC24: in the past, meeting a whole bunch of students from international show up. And every one person that spoke for 77.

430
01:21:00.980 --> 01:21:04.370
D24 CEC24: You had, like 10 kids from international.

431
01:21:05.570 --> 01:21:12.419
D24 CEC24: So I'm asking you show up for us. Now it's on ya. It's not on us, it's on ya.

432
01:21:14.327 --> 01:21:15.879
D24 CEC24: I will see that.

433
01:21:19.470 --> 01:21:28.430
D24 CEC24: So actually, next up is Sandra. Then we'll jump into the next call with the online man.

434
01:21:28.920 --> 01:21:35.500
D24 CEC24: we have someone, the Pep member. Okay, no problem.

435
01:21:35.720 --> 01:21:39.669
D24 CEC24: So if it's on here. We're gonna have to take members online and they request to speak.

436

01:21:42.810 --> 01:21:44.690

D24 CEC24: Hello, how you doing?

437

01:21:45.560 --> 01:21:56.633

D24 CEC24: I wanna thank all of you for the resolution 1, 73, and everything. We noticed some of the things that I spoke at. Some of the other meetings were working there, and everything.

438

01:21:57.390 --> 01:22:16.750

D24 CEC24: keeping on the idea of the walkthrough being on the 3rd floor. I don't know if most people realize that. A local politician in queens during the month of June. Our school is able to get a \$250,000

439

01:22:17.230 --> 01:22:22.820

D24 CEC24: brand in order to build a dance studio in Room 3 0, 7.

440

01:22:23.701 --> 01:22:32.020

D24 CEC24: If they're really going down to the 3rd floor, how is that impacting us? How are we going to get access to them.

441

01:22:32.260 --> 01:22:45.019

D24 CEC24: The next thing is, during our one meeting over here they gave us like these booklets and everything, and I've been going through the booklets. One of the things that I noticed was

442

01:22:45.570 --> 01:22:47.936

D24 CEC24: they talked about having a

443

01:22:48.690 --> 01:23:14.429

D24 CEC24: a 1 time fixed allocation of \$51,000. This is the iter funding that was just brought up, and everything but just realize that they they also are going to be receiving \$57,400 to \$66,600 in new school. Otp per pupil.

444

01:23:16.406 --> 01:23:29.209

D24 CEC24: I did some research. According to July 14, th 2024 sort of thing. Our particular. In New York City the average

445

01:23:29.400 --> 01:23:39.179

D24 CEC24: per student allocation is anywhere from 17,280 to \$17,500.

446

01:23:39.290 --> 01:23:47.179

D24 CEC24: Why are these kids going to get 57,000 to \$66,000! Why.

447

01:23:48.050 --> 01:23:51.330

D24 CEC24: why do our children not deserve this?

448

01:23:51.920 --> 01:23:59.500

D24 CEC24: It's not even close. It's 3 times what our kids get? Why do we have kids better?

449

01:23:59.720 --> 01:24:02.040

D24 CEC24: That's unfair.

450

01:24:02.470 --> 01:24:04.080

D24 CEC24: Where is this?

451

01:24:04.200 --> 01:24:09.400

D24 CEC24: What kind of math are they using now? Realize, I understand they use math

452

01:24:10.272 --> 01:24:27.000

D24 CEC24: to figure out the applications with Enl. Services. Students who are in temporary housing, homeless all sorts of other things. But the statistics that I shared during the last meeting, the online meeting, when I talked.

453

01:24:27.240 --> 01:24:37.589

D24 CEC24: our kids are those Eml kids, our kids are those Esl kids, our kids are in temporary housing. We're doubled up. We're in shelters and things.

454

01:24:37.780 --> 01:24:42.439

D24 CEC24: Why are their kids so special that they get 3 times the amount of money?

455

01:24:42.950 --> 01:24:43.660

D24 CEC24: Oh.

456

01:24:56.788 --> 01:25:21.491

D24 CEC24: Hi, guys, I am a student of 77, and I am a 6th grader. I wanted to say that you guys always are saying that bring us over here will be beneficial and well, other people are always saying that it will be beneficial.

457

01:25:22.700 --> 01:25:45.960

D24 CEC24: but will be beneficial because you guys will. Other people are trying to take the 4th and 3rd floor from us, and the 3rd floor is for our 8th graders. So taking the 3rd floor will not be good, because where our 8th graders going to go. The first, st second, and 3rd floor are all taken by the by, the 6, th 7, th and 8th graders.

458

01:25:45.960 --> 01:26:06.360

D24 CEC24: and that only leaves you guys with the 4th floor and the 4th floor will not be able to handle from 9th to 12th graders. And if you guys take the 3rd floor or the 8th grade, because it's gonna be hard, and it might not be possible. But the 8th graders with the 7th graders, because almost every floor is full of all of the students.

459

01:26:06.430 --> 01:26:20.100

D24 CEC24: and combining a high school with a middle school is not a good idea, because then the high

school is going to be thinking that they're bigger and stronger than the little kids, and then we'll be picking on them. And then how are we gonna stop this?

460

01:26:30.240 --> 01:26:39.940

D24 CEC24: Okay, yeah, yes, that'd be Shirley.

461

01:26:40.806 --> 01:26:46.740

D24 CEC24: The next speaker. Is Shirley. Right, Shirley Oven

462

01:26:48.070 --> 01:26:51.470

D24 CEC24: Shirley, I will unmute you. Hold on.

463

01:26:52.150 --> 01:26:57.777

D24 CEC24: You can speak who are serving us when this is

464

01:27:22.240 --> 01:27:24.529

Shirley Aubin: Okay, got it? Got it now.

465

01:27:24.670 --> 01:27:27.589

D24 CEC24: Alright. Thank you. Volume. All the way up.

466

01:27:27.830 --> 01:27:28.977

Shirley Aubin: Thank you for

467

01:27:30.030 --> 01:27:31.750

Shirley Aubin: I'm muting me. Let me speak

468

01:27:32.273 --> 01:27:37.810

Shirley Aubin: with short notice. I just want to clarify some things. So

469

01:27:39.590 --> 01:27:47.220

Shirley Aubin: the panel for educational policy. When it comes to school utilization proposals, there's a certain process that has to be done.

470

01:27:47.910 --> 01:28:00.380

Shirley Aubin: The Pep members are to attend or watch the recordings of Detroit public hearings. That's where all fact members who want to speak about a certain school utilization

471

01:28:00.700 --> 01:28:06.100

Shirley Aubin: speaks, and at the Pep meeting, or via email or

472

01:28:06.500 --> 01:28:14.430

Shirley Aubin: in person at the the night of the decision or written comments which all is posted on the website.

473

01:28:14.770 --> 01:28:20.270

Shirley Aubin: Now, when it comes to Cec. Meetings, individual Cec. Meetings.

474

01:28:20.600 --> 01:28:25.459

Shirley Aubin: The Cec. Is responsible to invite the panel for education.

475

01:28:25.580 --> 01:28:30.499

Shirley Aubin: The Council, if they want us to come to a specific meeting

476

01:28:30.700 --> 01:28:33.660

Shirley Aubin: on any on any for any reason.

477

01:28:34.030 --> 01:28:40.989

Shirley Aubin: Now I know that, and she's going to get speak after me. So the Queen CC. Representative on the Pep

478

01:28:41.210 --> 01:28:50.399

Shirley Aubin: has attended meetings, but I'm going to say it because I had asked via email twice that the Education Council who has experienced people

479

01:28:50.610 --> 01:28:56.050

Shirley Aubin: to educate the public, how your school utilization proposal goes.

480

01:28:58.630 --> 01:29:10.880

Shirley Aubin: so we are here. So at the walkthrough panel was invited. Parents, the panel is also not paid employees. They are volunteers, and most of them work during the day

481

01:29:11.120 --> 01:29:17.600

Shirley Aubin: so, but they are not required to come to a walkthrough. I made arrangements to come to the Walkthrough.

482

01:29:18.490 --> 01:29:25.510

Shirley Aubin: but they are hearing the public people. There is a process. Everything is posted on the website.

483

01:29:25.730 --> 01:29:34.210

Shirley Aubin: Now, the 1st meeting, when people were complaining that me and Adriana wasn't on, we weren't invited. Actually, I was removed from the mailing list.

484

01:29:34.570 --> 01:29:35.799

Shirley Aubin: So that's 1.

485

01:29:36.720 --> 01:29:39.150

Shirley Aubin: Now that we are in the mailing list.

486

01:29:39.290 --> 01:29:57.660

Shirley Aubin: And we actually were invited on this one on the agenda, letting us know that was going to be here. Both of us are here. All 24 of us will most likely never be in all the same spaces across the city, because we would represent across the city

487

01:29:58.250 --> 01:30:00.900

Shirley Aubin: when it comes to school, use proposals.

488

01:30:01.180 --> 01:30:03.280

Shirley Aubin: So we're here to listen

489

01:30:03.670 --> 01:30:14.469

Shirley Aubin: to what everybody says, and we are here to listen. But the vote is not contingent on me, or Adriana is contingent on the entire

490

01:30:14.600 --> 01:30:17.089

Shirley Aubin: panel for educational policy.

491

01:30:18.880 --> 01:30:34.229

Shirley Aubin: So I have put in the link what the role of the panel educational policy does, and that link will lead you to all the meeting schedules and the school utilization. This is not the 1st time that this Cec has a school utilization proposal.

492

01:30:34.400 --> 01:30:37.000

Shirley Aubin: They had one exactly last year.

493

01:30:37.690 --> 01:30:51.360

Shirley Aubin: So we want to hear everybody from the public, and I could see y'all saying to X, my mute me, but y'all need to share correct information with the public, and I'm here to make that note. I am here

494

01:30:51.720 --> 01:30:57.040

Shirley Aubin: as as a pat member who got appointed by the Queens Borough President's office.

495

01:30:57.450 --> 01:31:03.020

Shirley Aubin: so I will pay attention more to what queens has to say. But the panel is a citywide panel.

496

01:31:03.350 --> 01:31:05.809

D24 CEC24: Okay, I think we're at time there.

497

01:31:06.390 --> 01:31:07.620

D24 CEC24: Thank you.

498

01:31:08.840 --> 01:31:10.295
D24 CEC24: Hallelujah.

499

01:31:17.220 --> 01:31:40.440

D24 CEC24: Alright. Good evening, everyone. My name is Miss Lopez. I am a teacher here at i. 77 1st and foremost, I would like to to thank all of my our staff here at i. 77, and the parents that have come to support you. We cannot represent when we are as I, 77 here today. Now.

500

01:31:41.090 --> 01:31:55.719

D24 CEC24: I know that everything sounds a little bit redundant, right? We keep repeating ourselves, and we keep repeating ourselves because the reason why is because we're not being heard right? So you say, you want to work with us. They say they want to work with us, but they leave us

501

01:31:56.030 --> 01:31:58.290

D24 CEC24: for last to know about it. All

502

01:31:58.480 --> 01:32:23.879

D24 CEC24: right. So you they come in and they say that they're gonna help us. Guess what? If anything, that you are trying to imply that you have better care for?

503

01:32:24.150 --> 01:32:27.349

D24 CEC24: We've done it. Been there still doing it.

504

01:32:28.230 --> 01:32:34.519

D24 CEC24: and guess what these are, the faces that they recognize, not the ones that you're trying to produce in this school.

505

01:32:35.130 --> 01:32:44.019

D24 CEC24: that you think you're in favor of these immigrants that you claim that you are able to service far more than we do. This is our job.

506

01:32:44.330 --> 01:32:55.000

D24 CEC24: this is our population, this is our family. These are our kids. You're not. Gonna sit here, come into our building to take to us. Tell us that you're gonna help us. Are you kidding me

507

01:32:56.240 --> 01:32:57.600

D24 CEC24: impossible.

508

01:32:59.620 --> 01:33:10.630

D24 CEC24: This job. This is our kids. This is our community. So for you to come in here, into our building, into our community, and we are close by our neighboring schools.

509

01:33:12.216 --> 01:33:19.250

D24 CEC24: Hopeless. Then shame going to every school in Purdue. Your practice.

510

01:33:19.740 --> 01:33:23.990

D24 CEC24: Okay, I was kids knowing that they're talking to and ready when I was 2.

511

01:33:24.120 --> 01:33:32.000

D24 CEC24: It's gone nasty, spicy, and people like people need to work with

512

01:33:33.183 --> 01:33:37.549

D24 CEC24: behind my back and take our kids from right underneath our nose.

513

01:33:43.660 --> 01:33:57.289

D24 CEC24: No, that's not going to happen here. It shouldn't happen here. Because this is is 77. We stick up for our community. We stand up for our kids and we're the ones that teach these kids best.

514

01:33:57.770 --> 01:34:00.840

D24 CEC24: All right, because this is our population.

515

01:34:03.360 --> 01:34:06.890

D24 CEC24: So the idea that you're coming in to help us.

516

01:34:07.330 --> 01:34:11.440

D24 CEC24: I find it baffling. I find it ridiculous.

517

01:34:11.730 --> 01:34:14.430

D24 CEC24: And it's really, really fun, honestly.

518

01:34:15.970 --> 01:34:26.080

D24 CEC24: and it's an insult to the teachers that have worked here and serviced this population for years in Ism. Who said, How dare you? We all got seen

519

01:34:26.400 --> 01:34:33.389

D24 CEC24: the audacity to think that you're any better than us, and don't even have the decency to show face, or even speak

520

01:34:36.420 --> 01:34:42.260

D24 CEC24: in front of us all the time, Elizabeth.

521

01:34:42.670 --> 01:34:43.930

D24 CEC24: Not once.

522

01:34:44.650 --> 01:34:54.899

D24 CEC24: but yet you have your bachelor sit in front of our parents, our staff in our building that you qualify to occupy and not speak to us.

523

01:34:55.020 --> 01:35:05.800

D24 CEC24: There's that goes to show you the type of people that want to work in here, so called collaborating.

524

01:35:06.380 --> 01:35:08.210

D24 CEC24: That's how you want to start this

525

01:35:08.350 --> 01:35:27.399

D24 CEC24: union or this merger. No, it's all a plot you're trying to take our kids. You want to take over, because that's going to be the end result. Once you're trying to come in to enter with a 6th grade and a 9th grade. Then what then? The 7th grade you better take our 7th graders to when they come in.

526

01:35:28.890 --> 01:35:33.640

D24 CEC24: It's a domino effect. Nobody is dumb here. We know how this works.

527

01:35:33.900 --> 01:35:37.450

D24 CEC24: Okay, so this is a waste of time.

528

01:35:38.500 --> 01:35:41.659

D24 CEC24: And respectfully, those of you.

529

01:35:42.157 --> 01:35:51.569

D24 CEC24: we get it. There's a lot that needs to be discussed. But if you're in 77, then the 1st thing that needed to be discussed was 77, and everything else needs to take the back burner

530

01:35:51.760 --> 01:36:05.900

D24 CEC24: respectfully, you know, because we spent hours weeks going to these meetings constantly. Our parents are here. So we're 77. And the topic of discussion first, st popular discussion should have been 77.

531

01:36:08.340 --> 01:36:09.560

D24 CEC24: What's that mean?

532

01:36:09.760 --> 01:36:15.599

D24 CEC24: Then one more online, not right now.

533

01:36:15.840 --> 01:36:16.720

D24 CEC24: Oh, okay.

534

01:36:16.890 --> 01:36:18.780

D24 CEC24: Next year is Jerusalem.

535

01:36:20.250 --> 01:36:21.660

D24 CEC24: Yes, thank you.

536

01:36:22.080 --> 01:36:23.749

D24 CEC24: Next speaker is Mark.

537

01:36:34.190 --> 01:36:47.030

D24 CEC24: Thank you thank you to the Cec. For passing resolution. Thank you for everybody here. My name is Barbara Donovan. I have been a teacher here at i. 77 for 35 years.

538

01:36:49.080 --> 01:36:53.609

D24 CEC24: Hang on, ladies 43 districts, 24

539

01:36:54.114 --> 01:36:59.070

D24 CEC24: and I felt compelled to speak after the last meeting, after what I heard

540

01:37:00.700 --> 01:37:08.029

D24 CEC24: was said about our school, and how we came off to many parents who are on the call.

541

01:37:08.320 --> 01:37:13.070

D24 CEC24: That is, not who we are. We have been to add.

542

01:37:13.900 --> 01:37:17.880

D24 CEC24: I have been teaching the L population here since I started.

543

01:37:18.470 --> 01:37:23.910

D24 CEC24: Always taught them. I'm a link teacher, a reading teacher and an email provider.

544

01:37:24.280 --> 01:37:29.120

D24 CEC24: I have been here teaching this population since the 1st

545

01:37:29.420 --> 01:37:44.710

D24 CEC24: international school was created here in New York City. I have been one of the biggest proponents of the International school. I have sent my students there to get educated and continue their education. It is a wonderful place.

546

01:37:45.640 --> 01:37:48.640

D24 CEC24: This is not the place for that school.

547

01:37:49.410 --> 01:37:53.009

D24 CEC24: Whoever made. The decision on the location

548

01:37:53.530 --> 01:37:58.029

D24 CEC24: made the wrong choice for a location. In my opinion

549

01:37:58.370 --> 01:38:26.429

D24 CEC24: this should have been presented in an area, maybe at like Christ. The King High School, where they have I don't know if they have space or not, but I know they have had space in the past in a place

where they are not in direct competition with our community. They go here, we love them. I've bought them. I teach their children now.

550

01:38:27.445 --> 01:38:42.010

D24 CEC24: This is just the wrong location. I don't know who made this decision, but it was not the correct location for this school. This community, Ridgewood always has been an immigrant community.

551

01:38:42.490 --> 01:38:43.720

D24 CEC24: And

552

01:38:44.150 --> 01:39:04.250

D24 CEC24: we take care of these kids. We love these kids. This place is my home. It has always been my home. It is my second home is my colleague. Second home. We love these children, and we don't want to lose our community. And these students, and frankly, as a parent, when we just heard the numbers from my colleague.

553

01:39:04.480 --> 01:39:10.789

D24 CEC24: who, what parent in their right mind would ever pass up having that kind of money spent on their child?

554

01:39:10.900 --> 01:39:11.900

D24 CEC24: No one.

555

01:39:12.190 --> 01:39:21.080

D24 CEC24: So again, I'm not going to make all the other points. I just really had to speak with my heart as a parent and a teacher here in a place I love

556

01:39:21.360 --> 01:39:22.733

D24 CEC24: makes sense.

557

01:39:53.823 --> 01:40:03.580

D24 CEC24: And again, I want to thank all of you for passing that resolution on the kind of

558

01:40:03.720 --> 01:40:13.290

D24 CEC24: change things up a little bit, because a lot of the things have been said. But I've also been here for many years, not as long as Margaret's been here, but I'm

559

01:40:13.480 --> 01:40:33.989

D24 CEC24: teacher of English to speak other languages. I've always been really committed to my population, and one of the things recently our population has changed. It was always. We tend to have a lot of Spanish speakers, but it's changed to be more students from Ecuador. So I'm always looking to learn more about.

560

01:40:34.060 --> 01:40:47.310

D24 CEC24: Then I recently read a book called The Only Job Works, and in this book a woman named pronouncing it correctly, but fights to preserve the home of the people the water

561

01:40:47.610 --> 01:40:48.470

D24 CEC24: parts.

562

01:40:50.420 --> 01:40:56.370

D24 CEC24: This story resonated with me, not only because I was learning about the cultures and homeland of some of my students.

563

01:40:56.670 --> 01:41:11.550

D24 CEC24: but also because we are at a juncture in which we are fighting to conduct our culture in school at i. 77. And in this book we took, and in the book. We, too, believe that outside forces have had hidden agenda to which we were not privy.

564

01:41:11.660 --> 01:41:19.440

D24 CEC24: So prior meetings? I asked and inquired as to, because I'm not overly familiar with the process. But you know.

565

01:41:19.690 --> 01:41:43.800

D24 CEC24: where did it start that it was proposed? I understand we have the space, but that an international school would be a good idea, for is 77. Given that we do have about 30% of our population as apples. You know. I know Margaret's mentioned it. I know Jeanette's mentioned it. I know Matt mentioned it and duplication services. But how did this all come about? And I understand that the resolution was passed.

566

01:41:43.910 --> 01:41:50.900

D24 CEC24: and again I appreciate your support. But I just want to know when this goes to the pack in January, like.

567

01:41:51.430 --> 01:41:55.149

D24 CEC24: you know, I mean, it seems like to me like you know.

568

01:41:55.330 --> 01:42:06.580

D24 CEC24: like I said right here. Sorry I should put my glasses on before you came up here, but it seems like the decision was made long ago, and and that the meetings are just the formality.

569

01:42:06.820 --> 01:42:30.719

D24 CEC24: And what I said here was, I hope I'm wrong, because the educators at i. 77 have been addressing the needs like Jeanette said. And Margaret said of these immigrant students during many years that I worked here, and I really hope that we will continue to address them for many more years to come. But I but I just want to ask, like, What is that process. It? Is it more or less the done deal? And we're just saying that we're opposed to it.

570

01:42:30.860 --> 01:42:33.410

D24 CEC24: And that's my my question.

571

01:42:38.750 --> 01:42:41.369

D24 CEC24: So possibly second week of August

572

01:42:41.690 --> 01:42:48.059

D24 CEC24: the space plan reached out to Cec. Members. In a meeting regarding capacity for a district.

573

01:42:48.730 --> 01:42:51.840

D24 CEC24: We went to every school. 77 was mentioned

574

01:42:52.000 --> 01:42:56.929

D24 CEC24: at the end of the call, I said, I spoke. What is the plan for? 77?

575

01:42:57.160 --> 01:43:03.690

D24 CEC24: Can we expand it? Can we make, like the intermediate school of language in the district. Can we get specialized programs in enrollment?

576

01:43:04.020 --> 01:43:06.849

D24 CEC24: And I knew at that point his reply was.

577

01:43:07.040 --> 01:43:09.250

D24 CEC24: I'll talk to you later about that.

578

01:43:09.460 --> 01:43:23.199

D24 CEC24: At which point I knew something was up right there and then, the plans already in place. They didn't want to talk about it, but I reached out to me again to say what's going on. It was just a radio silence. So this plan was speaking.

579

01:43:23.660 --> 01:43:31.549

D24 CEC24: They are. They were the whole process grinding. They didn't. They lie to us, to our faces, the Cdc Council. They lie directly to our faces.

580

01:43:32.170 --> 01:43:51.869

D24 CEC24: I don't know that, and that's why we are making opposition, or what voices are being heard. This will also be the media followed up on. So the pet we don't like. Straightforward enough. We can lie too straight forward as they have the past location of leadership straight out or lies. So

581

01:43:52.040 --> 01:43:58.109

D24 CEC24: I know myself I voted for that which I am now disgraced that I did because I was sold a bag of goods.

582

01:43:58.360 --> 01:44:04.259

D24 CEC24: That's not going to happen this way. I will be there every step to talk to the pet and the pet members.

583

01:44:04.530 --> 01:44:17.699

D24 CEC24: or they were elected by Cdc. Presence. So the President of Cdc. 24 elected this pep member that Cdc. President, talk to that pep member and let them know on a daily basis the opposition that this

community has.

584

01:44:17.850 --> 01:44:18.650

D24 CEC24: whatever.

585

01:44:19.310 --> 01:44:20.730

D24 CEC24: I don't think it's a good name.

586

01:44:21.230 --> 01:44:29.610

D24 CEC24: You may feel like it. It's not like, I said earlier. This was a dumb deal. They would not be coming here to walk through schools with you. They wouldn't even talk to you.

587

01:44:29.900 --> 01:44:35.570

D24 CEC24: They they kicked you when you were down. Then they tried to choke you. Now we're getting back up now. They're listening.

588

01:44:35.870 --> 01:44:37.160

D24 CEC24: They don't want this.

589

01:44:37.530 --> 01:44:42.850

D24 CEC24: It's not gonna look like so.

590

01:44:47.150 --> 01:44:49.901

D24 CEC24: and next week it is Shawn

591

01:44:51.965 --> 01:45:15.749

D24 CEC24: representing Councilmember. Holden now is 77 is not one of Councilmember Holden's schools. It's not in this district. But I want to give you a message. Council member Holden is totally against this plan by the DOE,

592

01:45:16.290 --> 01:45:34.779

D24 CEC24: and even though you're not in school, he did ask you to consider doing something else with the space. Not with this high school there, he said. Maybe try to see study District 75 program coming in here something like that. He asked them to do that. I just want to let you know that. But

593

01:45:35.280 --> 01:45:37.039

D24 CEC24: I have to say if

594

01:45:37.400 --> 01:45:50.810

D24 CEC24: in in the district. 75. We don't want to have a high school in the high school in here before, and it was a disaster.

595

01:45:51.040 --> 01:46:02.909

D24 CEC24: And then now they come back to you, and they tell you, oh, the schools don't have enough enrollment. It's because of their problem. The Poe does this all the time they destroy stuff, and then they

come, and they blame you for it.

596

01:46:03.990 --> 01:46:15.410

D24 CEC24: And somebody mentioned Christ, the King High School, and that is in Councilman Holder's district, and I can guarantee you. This Councilman Holder, would never let this happen in his district.

597

01:46:36.800 --> 01:46:43.820

D24 CEC24: Hi! My name is I actually come tonight to speak for as myself. Right? 1st

598

01:46:44.244 --> 01:47:07.019

D24 CEC24: I used to sit up there right? So I know I know how it feels when when such a bad idea is being pushed, pushed through the CC. And push through the parents of the school. I look look it, it comes down to one thing right. There's a there's already a coated school upstairs. It didn't work then, and it's not gonna work now

599

01:47:07.240 --> 01:47:10.709

D24 CEC24: is common sense alright. So

600

01:47:11.570 --> 01:47:28.499

D24 CEC24: please bring the message back. By the way, tomorrow I'm attending the meeting at Brooklyn, and I will be speaking about this. I will show this is a very bad idea.

601

01:47:28.630 --> 01:47:36.890

D24 CEC24: If it's a good idea. It's gonna be a stool upstairs, and everyone will be happy that all right. This is common sense, all right. So

602

01:47:37.160 --> 01:47:45.889

D24 CEC24: to the CC. To Janet, bring the resolution back, show it to the Chancellor. Show it to the Ep. It's not gonna work.

603

01:47:46.730 --> 01:48:01.639

D24 CEC24: Think of a plan, B. Councilman Holden's plan. B makes sense. Think about that or open another school, expand the school effort to expand 77. And you want to thought about it. Please

604

01:48:03.320 --> 01:48:13.749

D24 CEC24: don't. It don't. It's not gonna work. It's like a forced marriage shit, right? And it's already a disaster. It can't even hear you. Right? So please, thank you. Thank you.

605

01:48:17.950 --> 01:48:30.770

D24 CEC24: 30 bills, and that's gonna go to asking you to unmute.

606

01:48:33.270 --> 01:48:34.670

Adriana Alicea: Hi! Everyone.

607

01:48:35.590 --> 01:48:36.450

D24 CEC24: Have a pack number.

608

01:48:37.800 --> 01:48:39.479

Adriana Alicea: Hello, everyone! Can you hear me?

609

01:48:40.020 --> 01:48:41.139

D24 CEC24: Yeah. Go ahead.

610

01:48:41.140 --> 01:48:47.859

Adriana Alicea: Fantastic. Hi! I'm Adriana Licera. My pronouns are she her I am the pep member that represents Queens. Cecs.

611

01:48:48.313 --> 01:48:57.709

Adriana Alicea: I want you all to know that this is a role that I take very seriously, and I have attended every CC. 24 meeting minus last month. I do apologize

612

01:48:57.820 --> 01:49:06.360

Adriana Alicea: for my absence. I had the flu like actual flu. It was awful. I wanted to take a moment now, though, and and thank you again, chair

613

01:49:06.790 --> 01:49:08.400

Adriana Alicea: and everyone in the audience

614

01:49:08.530 --> 01:49:24.410

Adriana Alicea: for allowing me to speak, and allowing me to be here in community with you all again. I want you to know that I have heard all of your comments and testimony to this point that has been made publicly. I attended the joint public hearing

615

01:49:25.710 --> 01:49:48.020

Adriana Alicea: I've attended tonight's meeting. I was taking notes during the joint public hearing, as well to make sure that I was capturing the most impassioned comments. Having said that I was so impressed and so moved by the passion that was shared that evening, and I specifically want to thank the teachers and the staff members for sharing so candidly and so openly, because, unfortunately.

616

01:49:48.080 --> 01:49:58.770

Adriana Alicea: it's really really easy to forget a few things. In my opinion, a. Our child's classroom is essentially your corner office, and B schools are hollowed grounds. Right? So

617

01:49:59.320 --> 01:50:03.329

Adriana Alicea: you're spending more time with our kids than we are

618

01:50:03.440 --> 01:50:09.529

Adriana Alicea: most of the time. Therefore, in my opinion, your thoughts, your opinions, your

619

01:50:11.070 --> 01:50:14.379

Adriana Alicea: musings about things matter just a little bit more.

620

01:50:14.940 --> 01:50:19.369

Adriana Alicea: So I do. I do really appreciate you all sharing so openly.

621

01:50:20.806 --> 01:50:29.999

Adriana Alicea: I confirmed earlier this evening. Who the liaison is for is 77. Thank you. Whoever was manning the chat, I really appreciate it. I know how busy you guys are

622

01:50:30.150 --> 01:50:33.050

Adriana Alicea: having been a Cec. Member myself in

623

01:50:33.180 --> 01:50:58.700

Adriana Alicea: be passed. So thank you for being able to answer me and get me that so quickly. I absolutely hear every single one of you, and I agree especially with the parent who spoke earlier. I did not catch her name. I apologize. Who questioned why Slt? Participation was limited to 2 Slt members. That's weird, in my opinion. That's weird. So I am going to be reaching out to the is 77 liaison, as well as the principal there, and my

624

01:50:58.860 --> 01:51:06.380

Adriana Alicea: one of my main requests is going to be that any member of Slt and any member of the Papta I'm not sure what it is there who wants to

625

01:51:07.630 --> 01:51:22.939

Adriana Alicea: participate or wants to have a conversation with me specifically, is able to do so without interference or limitation, because I feel like there's a lot of that spirit happening in this room, and and I can feel that the community doesn't like it, and I don't like it either.

626

01:51:25.470 --> 01:51:44.329

Adriana Alicea: So, having said that the goal is for me to visit before the Pep meeting. The Pep meeting is on the 20 second of January. I entered all of the details of that in the chat. I'm sure the Cec. Will be sharing this out in advance. But, please, if you are able to come in person, your voices are extremely impactful.

627

01:51:44.510 --> 01:51:48.350

Adriana Alicea: The meeting is on the 20 second of January. I believe it's a Wednesday.

628

01:51:48.670 --> 01:52:01.220

Adriana Alicea: All of the details are up on the New York City public schools website. You can just in Google type Pepnycps. And it'll take you right to the page. Thank you all. I look forward to hearing the rest of the comments this evening, and good night.

629

01:52:08.830 --> 01:52:09.950

D24 CEC24: Speak.

630

01:52:19.040 --> 01:52:23.090

D24 CEC24: Oh, Shirley, yes, yes.

631

01:52:32.070 --> 01:52:40.190

D24 CEC24: Hello, everybody. I'm parents, staff and students. My name is Shailee, and I'm a student in 77.

632

01:52:40.555 --> 01:53:02.839

D24 CEC24: Something that I want to think about. I want to add on to something that Giovanni said like about this is our school. They can't take their less time we have to study to have Ela Math lunch like everything. They can't just take everything. And just like I'm saying that it's that they're helping us instead of us helping them.

633

01:53:03.240 --> 01:53:20.770

D24 CEC24: It's our school that they can't take that component away from us. And then also, we can only have what the 9th graders are here because we can't just take the 3rd and 4th floor just for ourselves, because where are the 8th graders going to be at, and also 7 years when they turn into 8th graders like

634

01:53:21.130 --> 01:53:36.929

D24 CEC24: it's not fair like for us teaching teaching like kids here, and to be able to like, take all that from away from us

635

01:53:37.060 --> 01:53:52.890

D24 CEC24: that it's not fair. This is our school. It's not their school. They have their own school to be like doing their stuff to our school, not theirs. It's not fair for us to be to take our privilege away from from us, to give it to them.

636

01:53:53.410 --> 01:53:54.830

D24 CEC24: That's not fair.

637

01:54:07.110 --> 01:54:09.120

D24 CEC24: We love the word wrong.

638

01:54:12.510 --> 01:54:37.460

D24 CEC24: Hello, everyone. My name is Juan. My name is, I am the director of community organizing for council the 31st district. This is the 34th District. We do represent this school. I'm just here to let everyone know that we are experiencing what's happening here, and we, you know I will be putting everything back to the Council member. She is in maternity leave right now. She just had a baby, so she has been taking some weeks off to get better and everything. But you know I will keep her up to date.

639

01:54:37.460 --> 01:54:45.930

D24 CEC24: What is happening. As always, we have been supporting i. 77, with the funds and everything. You know. I know that the school participated in participating budget

640

01:54:46.242 --> 01:54:51.237

D24 CEC24: which would like to always organize the school, so they want to know that we are

641

01:54:51.570 --> 01:55:04.040

D24 CEC24: You know we have been attending all of the meetings with them that have been happening, and

I think we are asking the DOE, as always, to be transparent and to always communicate with the teachers and the community. Thank you.

642

01:55:04.290 --> 01:55:05.790

D24 CEC24: Yeah.

643

01:55:08.240 --> 01:55:17.939

D24 CEC24: Good evening, everyone. My name is Jonathan Becker. I'll be representing Congresswoman Media Velasquez, who's currently in Washington, DC. We're dealing with the budget

644

01:55:18.417 --> 01:55:35.209

D24 CEC24: like Juan from Jennifer Gutierrez's office. Said we've been very active with these meetings regarding this co-location. We were here to attend and hear firsthand what the educators think, what the students think, what the parents think. So this is great to take back to our members.

645

01:55:35.530 --> 01:55:48.969

D24 CEC24: So that we can, you know, further, engage with DOE. As to what you know this process will, how this process will. I'm sorry how this proposal will affect our is 77 students and the potential students that might come in.

646

01:55:49.433 --> 01:55:57.209

D24 CEC24: I just want to say, you know, the last 4 years the Federal Government has provided 25.2 billion dollars

647

01:55:57.664 --> 01:56:16.779

D24 CEC24: to New York State for our education system. And that's something that Congress will continue to support with what's coming, you know, in the next. In the next month. In the next 4 years she will continue to fight against any potential cuts to the Department of Education. You know, Ieps are very important. I believe 19% of

648

01:56:17.317 --> 01:56:22.230

D24 CEC24: Cdc 24. I'm sorry. District 24 students have an Iep.

649

01:56:22.370 --> 01:56:40.450

D24 CEC24: and that is potentially on the chopping block. So the Congressman will, of course, oppose any cuts to the us Department of Education and Iep funding. So like I said, we've been here. We've been listening to all your concerns, and we'll take it back to our members. Thank you and thank you all for your public service.

650

01:56:44.010 --> 01:56:46.234

D24 CEC24: Okay, anyone else from a

651

01:56:47.330 --> 01:56:58.969

D24 CEC24: Another office representatives for being here tonight. Your voice. We need your voice

652

01:56:59.350 --> 01:57:04.029

D24 CEC24: in politics. Your voice is strong and we need the support. Thank you.

653

01:57:09.850 --> 01:57:37.310

D24 CEC24: Hi, everyone. My name is. I actually recently joined the team of as a consultant on education and construction issues, because I have seen how their policies and how they do things, impacts real life learning and how everyone functions in in school. So I'm

654

01:57:37.590 --> 01:57:48.690

D24 CEC24: taking the Sca on and trying to combat a lot of the systematic issues and the way that they run things so that they, they themselves can be more efficient so that they don't have to make

655

01:57:48.860 --> 01:57:58.220

D24 CEC24: decisions like this that impact schools. This wouldn't be an issue if it was better run, and they had facilities

656

01:57:58.440 --> 01:58:12.710

D24 CEC24: that they could go to and and properly, you know. Like, it wouldn't be an issue if this was taken care of, you know, 5 years ago.

657

01:58:13.446 --> 01:58:32.520

D24 CEC24: wants to talk about the Sca partnership went up, and particularly the difference between what is considered a capital improvement or a facilities expense these all may

658

01:58:41.470 --> 01:58:42.160

D24 CEC24: sure.

659

01:58:42.803 --> 01:58:48.299

D24 CEC24: Is there anyone that didn't speak that would like to speak before I close the session?

660

01:58:49.640 --> 01:59:00.380

D24 CEC24: We're good to close the meeting second.

661

01:59:01.200 --> 01:59:12.240

D24 CEC24: So now we're gonna move into our 5 business week. Okay, thank you so much for coming. Thank you so much.

662

02:12:50.450 --> 02:13:07.220

D24 CEC24: Okay, so can anybody have an opportunity to check the minutes? Have they changed like

663

02:13:16.600 --> 02:13:20.730

D24 CEC24: like they haven't changed. Just approve them.

664

02:13:23.170 --> 02:13:37.040

D24 CEC24: hey? We're going for minutes. We're gonna go for approval of

665

02:13:37.850 --> 02:13:49.489

D24 CEC24: all the minutes, and by all the minutes I mean August, September, October, November of 2024. I'll just do roll call real quick for it.

666

02:13:53.900 --> 02:13:55.979

D24 CEC24: that's a used to emotion. Oh.

667

02:13:56.450 --> 02:14:04.610

D24 CEC24: motion motion to approve the August, September, October, November minutes of Cdc. 24. Motion went to the board. Second second

668

02:14:04.870 --> 02:14:05.730

D24 CEC24: approved.

669

02:14:07.107 --> 02:14:11.050

D24 CEC24: Enough people fantastic.

670

02:14:19.240 --> 02:14:25.319

D24 CEC24: Okay, now the treasurer's report, Janet, you'll be reading it, or Michael, or

671

02:14:25.430 --> 02:14:28.959

D24 CEC24: who's reading the treasurer's reports, is it, Maddie?

672

02:14:29.190 --> 02:14:31.200

D24 CEC24: Hey, Matt? You still here?

673

02:14:32.600 --> 02:14:36.650

D24 CEC24: Yeah, she's here. Alright, I got it. Give me one second.

674

02:14:43.270 --> 02:14:51.740

Mati Gonzalez: Thank you. All right. Good to go. Thank you. So the December treasures report

675

02:14:52.450 --> 02:15:16.850

Mati Gonzalez: travel, expenses and refreshments allocated was 1,000. So far nothing has been spent against that. With leaving us with a balance of \$1,000. Member reimbursements, 17,000 were allocated, spent so far is 2,225 monthly reimbursements, just for November, was \$150, and about with a leaving us with a balance of 14,625

676

02:15:17.190 --> 02:15:34.341

Mati Gonzalez: parent engagement, slash, social media, allocated, was 5,000 spent, was 3,000, leaving us with a balance of 2,000 DOE supplies allocated a thousand dollars. Nothing spent against that, leaving us with a balance of a thousand dollars. Repairs allocated

677

02:15:35.120 --> 02:15:56.130

Mati Gonzalez: Allocated funds were 500. Nothing spent against that, leaving us with a balance of 500. The purchasing card or the P. Card allocated was \$500. To that. Nothing has been spent against it. But so leaving us with a balance of \$500, the only member reimbursement that I see here is one member for November for \$150.

678

02:15:57.650 --> 02:15:58.330

D24 CEC24: Yes.

679

02:15:59.370 --> 02:16:00.360

Mati Gonzalez: Thank you.

680

02:16:02.320 --> 02:16:04.569

D24 CEC24: So, Maddie, just to let you know.

681

02:16:04.770 --> 02:16:11.630

D24 CEC24: I spent a hundred, \$11 and 48 cents for the food tonight for the members.

682

02:16:12.380 --> 02:16:18.749

D24 CEC24: and we didn't need approval as per when we had our check in with Maribel the other night.

683

02:16:20.348 --> 02:16:32.520

D24 CEC24: So as soon as the monthly reimbursements are signed for November and December, and 2 for August.

684

02:16:32.900 --> 02:16:35.200

D24 CEC24: and one for October.

685

02:16:35.350 --> 02:16:38.730

D24 CEC24: Then we will be spending a lot more money.

686

02:16:39.100 --> 02:16:44.459

D24 CEC24: so as soon as they are, they're signed by Veronica, and

687

02:16:44.730 --> 02:16:48.339

D24 CEC24: then we hopefully, we can move forward in January.

688

02:16:51.590 --> 02:16:54.580

D24 CEC24: Okay, alright,

689

02:16:56.090 --> 02:17:08.120

D24 CEC24: no, we don't have a mic. They put it away. Yep, alright. Next part of new business is school liaison visits. So I would like to know who has what school has not been visited?

690

02:17:08.799 --> 02:17:13.629

D24 CEC24: Because it's we're already in January. So what schools have not been visited, Julie?

691

02:17:19.219 --> 02:17:28.800

D24 CEC24: Oh, no, my space bizart, except just which is 1, 40.

692

02:17:29.629 --> 02:17:44.629

D24 CEC24: Is it? 1, 43, 1, 45, 1, 43, 1, 43. Okay, Johanna, what's Johanna?

693

02:18:01.280 --> 02:18:12.559

D24 CEC24: I know Matt myself, and Whoa and Manisha have have completed their visits. Yes, Michael, I still need to visit 91,

694

02:18:13.320 --> 02:18:15.720

D24 CEC24: 1, 25, and 3 0 7.

695

02:18:16.850 --> 02:18:20.261

D24 CEC24: I've been away a lot for work. So apologies

696

02:18:21.219 --> 02:18:28.870

D24 CEC24: now, with these school visits, we know that we have to see the school so we can see what the what the schools need, so we can fill up. We can say I.

697

02:18:30.120 --> 02:18:31.499

D24 CEC24: Oh, yes, yes, yes.

698

02:18:31.978 --> 02:18:46.090

D24 CEC24: we need to complete the school business, so we can see what the school visits need. For example, the auditoriums, the chairs are broken, etc. like that. Danielle was talking today. That's very important. I completed all my school visits in October

699

02:18:46.270 --> 02:18:50.369

D24 CEC24: second week of October. Maddie, what schools have you not visited.

700

02:18:55.160 --> 02:19:01.349

Mati Gonzalez: 1 53. I have not visited and that is pending for the second week of January.

701

02:19:01.350 --> 02:19:03.189

D24 CEC24: Sorry you said 1, 63, and what else?

702

02:19:03.190 --> 02:19:07.179

Mati Gonzalez: 1, 5, 1, 5, 3, and it is pending for the second week of January.

703

02:19:07.180 --> 02:19:14.929

D24 CEC24: 1, 5, 3. So that's 1 school. Correct that you have to visit it. Correct. The 1st one is what 1, 6, 3,

1, 6, 3.

704

02:19:15.330 --> 02:19:19.549

Mati Gonzalez: No, I don't have 1, 6, 3. I have 1, 5, 3, 1, 5, 3.

705

02:19:19.559 --> 02:19:22.069

D24 CEC24: So it's only one school, right?

706

02:19:22.070 --> 02:19:22.860

Mati Gonzalez: Yes.

707

02:19:22.860 --> 02:19:27.851

D24 CEC24: Okay, yeah, that's what

708

02:19:29.350 --> 02:19:43.399

D24 CEC24: that's the only member we have. But I can't ask anyone else committee meetings. So I'm gonna amend the the agenda

709

02:19:46.534 --> 02:20:04.350

D24 CEC24: have the problem with the new playground. The wall is almost.

710

02:20:04.610 --> 02:20:11.900

D24 CEC24: The school has an internal principle with Miss Rodriguez.

711

02:20:12.010 --> 02:20:24.930

D24 CEC24: So the PA and all the community schools don't think they are. She's doing a very good job at school. She had a she had. She got a very good relationship with the teachers and the families.

712

02:20:25.400 --> 02:20:44.640

D24 CEC24: So the school is working. Very good. She want to do some changes in the auditorium, but the problem she mentioned to me was the cameras. We don't have cameras inside and outside, so she needs cameras. That will be with

713

02:20:44.760 --> 02:21:08.579

D24 CEC24: the principal told me she really appreciate the resolution. So, but they have a new problem right now, because after the past hour solution, they take off one safety person who was in the 42, and 9, 8, 99th Street.

714

02:21:08.860 --> 02:21:13.229

D24 CEC24: The lady, the cross guard, was there for years.

715

02:21:13.360 --> 02:21:18.470

D24 CEC24: and after we pass a resolution they take off the lady from there.

716

02:21:19.120 --> 02:21:35.119

D24 CEC24: so she don't have another. She tried to speak with the district about it. She told me about that. Yeah, because, you know, next there we have 3 0, 7, and we have password full. So it's very important to get that person over there in that

717

02:21:35.560 --> 02:21:44.409

D24 CEC24: because, he said, that is what more

718

02:21:55.080 --> 02:21:58.579

D24 CEC24: does anybody else want to discuss any schools they visited or no?

719

02:21:59.830 --> 02:22:03.240

D24 CEC24: No, I sort of piggyback off that. We need to go back to the lease agreement.

720

02:22:03.430 --> 02:22:20.659

D24 CEC24: We'd have the police breaches here. We have the commanders here, that is, we always have the 1 10 to 1 0, 4 sometimes, but they're always at every single week we rotate throughout them. They would give us answers to bring up these concerns that has been eliminated

721

02:22:21.040 --> 02:22:29.080

D24 CEC24: since we don't reach anyone don't need to get easier for every meeting by going up with this.

722

02:22:29.300 --> 02:22:31.160

D24 CEC24: and it's the request has been ignored.

723

02:22:31.510 --> 02:22:37.189

D24 CEC24: So us as members are telling our friends. That's the agenda. We want these people here.

724

02:22:49.080 --> 02:22:55.859

D24 CEC24: We can vote for it, and then she can ask

725

02:22:56.683 --> 02:23:12.710

D24 CEC24: people here answering safety concern every month. They are getting more because everybody's leaving.

726

02:23:12.920 --> 02:23:14.019

D24 CEC24: You're the real help.

727

02:23:19.121 --> 02:23:39.379

D24 CEC24: But in my personal job.

728

02:23:39.380 --> 02:23:48.380

D24 CEC24: And with the CC. I went to the spot with the pricing about the safety in the schools, because we know what happened right?

729

02:23:49.000 --> 02:23:55.570

D24 CEC24: But we got it, which means a hundred officers are leaving that preset

730

02:23:55.680 --> 02:24:13.890

D24 CEC24: organizations coming in to help for trafficking for workforce. But how about the police?

731

02:24:14.070 --> 02:24:24.949

D24 CEC24: And my last thing was, I want to mention it about the schools in Verona, not only my schools, how I am liaison. But other schools with what I work.

732

02:24:24.980 --> 02:24:41.910

D24 CEC24: They are very about the problem, you know, with the new administration of the country, because we have a lot of the people who are in programs in our schools, the students, we have a lot of students who are in the system.

733

02:24:41.930 --> 02:25:11.800

D24 CEC24: And we need to do something. So we can start to work with the community organization because they can do the worship for free. And we need to start to do that as a committee.

734

02:25:12.070 --> 02:25:37.970

D24 CEC24: so you could do that as a committee, so that you can do by yourself. Here's the problem

735

02:25:38.600 --> 02:25:41.050

D24 CEC24: because nothing is being done.

736

02:25:42.620 --> 02:25:46.420

D24 CEC24: There's like an example. We're we're gonna be in January.

737

02:25:46.550 --> 02:25:54.529

D24 CEC24: and no committee. The only committee that's been done is Iep. If I wait for all of us to agree. I'm gonna be 9,100 years old.

738

02:25:54.810 --> 02:26:20.559

D24 CEC24: and the It community is very important. That's that was the next question for me committee meetings, who has a committee meeting that they're going to do my second. It committee meeting is going to be in January. So so that is my question. So I can do for myself, because she's doing the things in the committee. You can do it you could you? Could I say you could do it? But remember, it's me I'm talking for myself.

739

02:26:21.100 --> 02:26:27.909

D24 CEC24: I'm glad the issue we had is last time we set up committees.

740

02:26:28.450 --> 02:26:43.870

D24 CEC24: If you remember, an email was sent out by a President saying, Ignore all emails, ignore all committee, post and discussion regardless. I am in charge of all committees. The Pta President is out.

741

02:26:45.940 --> 02:26:55.070

D24 CEC24: There's work to be done. Life goes on. We have to work. We're here for the. We can't just sit here and wait for the President, and we're not serving the community.

742

02:26:55.310 --> 02:27:07.700

D24 CEC24: What do you wanna do? I think everyone agrees to that.

743

02:27:08.210 --> 02:27:22.199

D24 CEC24: You have to make sure that you're doing something. Am I allowed? Can I do this. I always speak to Miss McAfee. I said.

744

02:27:22.340 --> 02:27:29.199

D24 CEC24: you the CC. Need to approve right that you told me that the- the proper protocol.

745

02:27:31.710 --> 02:28:00.920

D24 CEC24: so that you know what you're doing. You're not in competition with each other. Correct. Obviously, you have to send us a flyer

746

02:28:01.410 --> 02:28:20.940

D24 CEC24: who wants to attend will attend, who doesn't want to attend will not attend, but send us the flyer, and and if it's in person, then you know whatever school you're gonna do it in, she has put it, for the parents

747

02:28:21.080 --> 02:28:26.620

D24 CEC24: already paired you with people at the district who almost didn't afford you

748

02:28:26.850 --> 02:28:37.060

D24 CEC24: in. So they we welcome. You know you are passionate

749

02:28:37.320 --> 02:29:00.420

D24 CEC24: the partnerships in the community. And you know the importance of this because it's very, you know, you know, this is affecting to the the attendance of some families around it, and especially like thinking about what it looks like for the schools to like. Say, listen, you cannot enter these.

750

02:29:00.420 --> 02:29:23.489

D24 CEC24: We're not giving out information, etc, open arms like meeting literally every other week. That scenario. And, you know, like the importance. The important thing is that we keep our kids. We make sure they're safe. We make sure the parents know.

751

02:29:23.490 --> 02:29:39.989

D24 CEC24: But you can still come in and get information, and we're not turning you over to ice, or whatever like we are safe haven for. And I also want to say you can do with Anna if Anna wants to do her own workshop. That's fine, too. We need to move.

752

02:29:40.020 --> 02:29:45.530

D24 CEC24: July 1st is around the corner and not and all the committees have to be done.

753

02:29:49.808 --> 02:30:21.559

D24 CEC24: I didn't want to, or people would yelled at from our current leaders.

754

02:30:21.560 --> 02:30:43.350

D24 CEC24: It can't work like this anymore. We have something, Janets, here.

755

02:30:43.710 --> 02:30:55.710

D24 CEC24: We can't say because we're here to serve parents. We're here to help the community, help the school, the administrators, and partner up with the district, and we just sit here and wait for a leadership like I said, I'm going to be 90.

756

02:30:55.840 --> 02:30:59.560

D24 CEC24: So, Junie, you have family engagement with Michael.

757

02:31:00.800 --> 02:31:11.209

D24 CEC24: What's the 2 of you can discuss it and just move on. Last time you said when he comes back he'll discuss it. January, February. What are we looking at?

758

02:31:12.100 --> 02:31:30.370

D24 CEC24: January works? So January works, or anytime between now and then?

759

02:31:30.560 --> 02:31:32.859

D24 CEC24: Joanna and Anna.

760

02:31:32.960 --> 02:31:58.950

D24 CEC24: I I'm not sure what committee you're in. I'm into Sca, I mean, the construction committee. And I mean, I think I'm members of most of them. But yeah, you're on all of them, just like most of them. Yeah. So she's like, not all. Yeah. And for Gnt, also, I don't know how to approach for Gnt. I would probably ask.

761

02:32:00.717 --> 02:32:16.619

D24 CEC24: because I saw the flyer regarding some things happening

762

02:32:17.310 --> 02:32:27.440

D24 CEC24: in January. So I just got to know, like, you know, we may do something in January regarding

763

02:32:28.050 --> 02:32:52.030

D24 CEC24: I know what. What about what's going on with the American Debate week. So is Maddie still on committee soon.

764

02:32:52.350 --> 02:32:53.220

D24 CEC24: Good machine.

765

02:32:54.710 --> 02:33:10.879

D24 CEC24: There she is asked to unmute. I just wanted to know. We're talking about committees. Is there any committee meeting that you're going to do for the families.

766

02:33:11.200 --> 02:33:13.920

Mati Gonzalez: Well, it'll be January, obviously, since December is shot.

767

02:33:14.170 --> 02:33:24.120

D24 CEC24: Okay, January. So we have some good January. Looks like a busy, beautiful month for our parents. Hopefully, it won't be the same day, so that we're not, they'll show up

768

02:33:24.618 --> 02:33:39.519

D24 CEC24: they won't show up to some show up to others. Thank you. Well, I don't know if Veronica visited any schools, Janet, do you know if Veronica visited any? Because if she's not visiting the 4 schools we're behind, we need to know what's going on in those 4 schools.

769

02:33:39.670 --> 02:33:46.180

D24 CEC24: So I'll send her an email. And I'll CC everybody and the district and Maribel, and see if she replies, because I never get a reply.

770

02:33:46.460 --> 02:33:59.030

D24 CEC24: All right. I know she doesn't do any committee, so I won't send an email regarding that. Can we discuss meeting locations because January, we're at 3 0. 5, and then February is 1, 53.

771

02:33:59.370 --> 02:34:02.299

D24 CEC24: I need to know the location of the march.

772

02:34:04.520 --> 02:34:07.020

D24 CEC24: We are free when we start the years

773

02:34:07.500 --> 02:34:31.930

D24 CEC24: we need to do meetings in all the district, and I know we put it this one for the meeting for today. But if we do it, we need to change to Corona. We canceled on 3 or 5.

774

02:34:31.930 --> 02:34:38.670

D24 CEC24: So that's why we're doing 3 0. 5. We're supposed to go to 14.

775

02:34:38.670 --> 02:34:42.699

D24 CEC24: So we made that for February. You know what

776

02:34:42.970 --> 02:34:53.480

D24 CEC24: I gotta check with 14, because her I think it was. Her auditorium was being Redone. So they said, Baby March or April

777

02:34:54.570 --> 02:35:00.139

D24 CEC24: we have 14, it would be, march

778

02:35:01.030 --> 02:35:07.440

D24 CEC24: march is going to be 14. Let me check with

779

02:35:08.890 --> 02:35:25.180

D24 CEC24: some of the schools we have not covered at all, so we should also bring the. We went to your school. We had a CC. One. We went to 1 99. Very much said, I've been following the principal, and I don't know. He was one of our principals, and I said we should steal. This is 24,

780

02:35:25.290 --> 02:35:43.880

D24 CEC24: yeah, we did 2 to 9. We tried. Now wait No.

781

02:35:44.840 --> 02:35:47.279

D24 CEC24: 4, 19. We were there in June.

782

02:35:47.560 --> 02:35:54.230

D24 CEC24: Yeah, we were there in June

783

02:35:54.590 --> 02:36:18.199

D24 CEC24: and 14, so you could put down 14 and 143, but I don't know if 14 is not available, then you do 143, then you do 40 right now, what about May and June, because May, I think we have down is is 5. I would do 87. Well, we were there in July, but that was that was in a CC. Meeting right? Special meeting. So is 5

784

02:36:19.920 --> 02:36:24.960

D24 CEC24: that well, then, we could do we could do. June at is 5.

785

02:36:25.270 --> 02:36:39.480

D24 CEC24: January is 3 0. 5 from January 3, 0. 5, February 1, 53, 1, 53, February.

786

02:36:40.150 --> 02:36:46.419

D24 CEC24: March will be either 14 or 1 43, or 1 43.

787

02:36:47.260 --> 02:36:52.109

D24 CEC24: April will be either 1, 43, or 14.

788

02:36:52.690 --> 02:36:57.809

D24 CEC24: We did that time. No, we can't go to 3, 43, because there's no parking.

789

02:36:58.110 --> 02:37:06.755

D24 CEC24: That's why we decided to go to 1, 25,

790

02:37:08.390 --> 02:37:24.740

D24 CEC24: and then May is 5, and then June, wherever you want to go. But then on your committees, let's pick different schools instead of picking the same school. Tell them let's go to 16.

791

02:37:25.200 --> 02:37:26.989

D24 CEC24: Well, it depends on what committee hold on

792

02:37:27.690 --> 02:37:49.020

D24 CEC24: what? What you're going to pick one of your 4 schools. Well, you know what? We'll decide that another time. Yes. So let's move on, because I want to hear from James. Wait, wait, wait! You know you're speaking. Is there any old business?

793

02:37:49.420 --> 02:37:58.620

D24 CEC24: I have old business by law, the resolution. The reimbursements are not being signed. I still haven't gotten paid for August.

794

02:37:59.120 --> 02:38:11.169

D24 CEC24: and Veronica said, she's gonna come Friday, and I didn't get paid for I don't know what of the month, but and some of you are behind as well as not paid.

795

02:38:11.390 --> 02:38:32.910

D24 CEC24: It has to be a way that if she's gone mia, that I sign, or the secretary signs of command, and I will write an email to Dr. Melendez, saying, like, what's going on?

796

02:38:33.350 --> 02:38:58.949

D24 CEC24: Can anyone sign digitally like through adobe and stuff like that

797

02:38:59.670 --> 02:39:08.860

D24 CEC24: works? But there's also adobe where you can. Just so in adobe, you can just click.

798

02:39:09.420 --> 02:39:15.849

D24 CEC24: fill and sign, and then you just click here.

799

02:39:16.730 --> 02:39:33.840

D24 CEC24: And then you could just reply your signature.

800

02:39:34.560 --> 02:40:01.369

D24 CEC24: You only get into okay amount. Which is what is it? Again, you don't expect your 1, 25. It's 75 for Internet if you don't show up. Oh, my bad!

801

02:40:01.910 --> 02:40:06.340

D24 CEC24: Sorry! How come we can't see her here. She's there. She's there. Yeah.

802

02:40:06.530 --> 02:40:08.330

Mati Gonzalez: I ain't leave yet. I'm still here.

803

02:40:08.330 --> 02:40:13.949

D24 CEC24: Sorry. I don't know why you're having problems to speak. Go ahead, speak! That's my bad.

804

02:40:14.729 --> 02:40:21.920

Mati Gonzalez: All October reimbursements have already been signed. I know that mine was signed also.

805

02:40:22.458 --> 02:40:30.230

Mati Gonzalez: I think Friday, November, and December reimbursements will be signed. So everything up until November and December have been signed.

806

02:40:30.791 --> 02:40:33.040

D24 CEC24: Has not been signed for years, so.

807

02:40:33.040 --> 02:40:46.160

Mati Gonzalez: I don't know about. I don't know about your check with August, because I know there were some issues. There were some debates going on regarding that, but I know that everything else has been signed, and I think November and December the only things that are getting signed on Friday.

808

02:40:46.160 --> 02:40:50.840

D24 CEC24: I will, I will! I will! I will wait patiently to give my.

809

02:40:50.840 --> 02:40:55.879

Mati Gonzalez: No, there's no other way to wait. There is no other way to wait. You can wait impatiently, but that's just angst for you.

810

02:40:55.880 --> 02:40:58.239

D24 CEC24: I hope she shows up.

811

02:40:58.240 --> 02:41:03.970

D24 CEC24: Yeah, we we've already discussed this Maribel Veronica and myself, and.

812

02:41:03.970 --> 02:41:05.090

Mati Gonzalez: I know but what I'm.

813

02:41:05.090 --> 02:41:05.560

D24 CEC24: No, but.

814

02:41:05.560 --> 02:41:06.240

Mati Gonzalez: Maybe November.

815

02:41:06.240 --> 02:41:06.910

D24 CEC24: First, st no.

816

02:41:06.910 --> 02:41:07.820

Mati Gonzalez: Hey? Maybe. Hold on.

817

02:41:07.820 --> 02:41:11.150

D24 CEC24: Understand November, December, and then, Hello.

818

02:41:11.890 --> 02:41:26.970

Mati Gonzalez: Then, and hold on a second. The only thing that I hear is that reimbursements haven't been signed. I can't like anybody attending the here can't really hear what anybody else has said out there. So that's why I figured it bared, repeating. If it had not been said.

819

02:41:27.470 --> 02:41:33.759

D24 CEC24: That's all right. Okay, so anything anything else, old business? Or can we go to James regarding location?

820

02:41:34.080 --> 02:41:37.489

D24 CEC24: And, by the way, since we're relocating.

821

02:41:37.990 --> 02:41:51.549

D24 CEC24: we should do it. This is what I want to do. I want to do a CC. Meeting in the Relocation 71 71. We've never done a CC meeting, and and that has to be done after I don't know when. But when is she in?

822

02:41:52.270 --> 02:42:18.809

D24 CEC24: Yeah, as soon as you're in that, if you're in in May tomorrow, I'm evicting you tomorrow. Yes.

823

02:42:19.430 --> 02:42:32.609

D24 CEC24: and we are. You guys know. District 24 was always wonderful proud district in New York city. We finally got some breathing room and then class. So we're we're like, some of our schools are short. 1617,

824

02:42:44.920 --> 02:42:56.520

D24 CEC24: so we had a small building there. It's not an 88 compatible building 0, the only one in the district that has a 0. But

825

02:42:57.210 --> 02:43:18.849

D24 CEC24: It's on the 1st floor. As soon as you walk into events safety. It's about a 3 quarters of the size room. It's a nice size room. I spoke to district planning. They're going to provide banker boxes stuff in the banker boxes. And then whatever furniture you want to take from there over to 7 you want. Can we discuss that

826

02:43:19.330 --> 02:43:42.589

D24 CEC24: because that the furniture I have is from when the Cec. 1st came about in the schools, did you know that? No.

827

02:43:43.230 --> 02:43:54.290

D24 CEC24: And do we get funding for that? Or should the Cdc

828

02:43:55.030 --> 02:44:12.470

D24 CEC24: take the stuff from 24 years ago and move all that stuff from there

829

02:44:12.470 --> 02:44:32.159

D24 CEC24: over to your other new location? Do you have an idea, and I'm sorry to interrupt you. When do you think that's going to happen? Once you get all the boxes.

830

02:44:32.160 --> 02:44:45.489

D24 CEC24: you can fill out the form right? It takes anywhere from 3 to 5 days for them to coordinate the trucking. Now I have a couple other things. Okay. Will they take my plants because I have a lot of plants. Yes, put them in the bank.

831

02:44:47.720 --> 02:44:49.250

D24 CEC24: Well done.

832

02:44:49.370 --> 02:44:56.549

D24 CEC24: They're big, big like trees. Yes, a couple of trees. Now, one other thing.

833

02:44:56.790 --> 02:45:06.739

D24 CEC24: one, I have 2 computers, one printer and a computer glued to the table. They're not mine

834

02:45:06.950 --> 02:45:13.060

D24 CEC24: and screwed, screwed up. They're bolted.

835

02:45:14.900 --> 02:45:29.999

D24 CEC24: If you guys buy a new computer. I can transfer the data doctors and and your medical records. After certain years you could shred

836

02:45:30.100 --> 02:45:43.379

D24 CEC24: for Cec, what is the law? She has to keep 24 years ago.

837

02:45:43.700 --> 02:46:11.840

D24 CEC24: I think 24 years. You could shred. Also, it's like tax. It's the budget stuff. 24 years ago, 7 years. Just count backwards and everything this way. Goodbye, and then not for anything. I'll be ordered it, and I'll be like, Oh, it's in the shredder 24 years ago.

838

02:46:12.210 --> 02:46:16.159

D24 CEC24: I'll have to do retention schedule if you wanna archive or

839

02:46:17.500 --> 02:46:25.100

D24 CEC24: like that idea, digitize it all. Yeah.

840

02:46:26.674 --> 02:46:40.450

D24 CEC24: And we just contact the trucking company, and they'll come and move the stuff.

841

02:46:40.840 --> 02:46:46.040

D24 CEC24: and 1, 2, 3. You're out. Now, one other thing is that

842

02:46:46.280 --> 02:46:50.649

D24 CEC24: the room that I'm going into has no bulletin boards. Okay.

843

02:46:50.840 --> 02:46:56.759

D24 CEC24: so do I have. Does the Cec have to pay for them multiple points feature.

844

02:46:57.100 --> 02:47:15.060

D24 CEC24: I need sunlight for my plants, not for anything they told me I can take all the furniture like the chairs that in my room. So I'm gonna take, you know, it's it's like a it's a couch.

845

02:47:15.070 --> 02:47:34.400

D24 CEC24: Yeah, well, that's like my bulletin board. That's what I use is as my bulletin. I will. I will. I'll do it on Friday, because I'll I'm not here. All right. Okay.

846

02:47:34.480 --> 02:47:53.339

D24 CEC24: because I know the heat is right there. And I said, I need. I need shelves to put my plants on. Yeah, I just get those thanks. Get a bunch of lights for her to like grow her plants.

847

02:47:54.266 --> 02:47:55.680

D24 CEC24: I know.

848

02:47:55.820 --> 02:47:59.390

D24 CEC24: I know you have to say that

849

02:47:59.700 --> 02:48:06.380

D24 CEC24: alright. So let's all right, that's it. Thank you. I do want to say, and I know Janet's not going to be happy. I'm happy. It's in Ridgewood.

850

02:48:06.720 --> 02:48:23.039

D24 CEC24: When I wasn't on the CC. I said, why is it not in Ridgewood? But I never advocate or said anything, because you know whatever. And and then, now I'm leaving.

851

02:48:23.960 --> 02:48:32.590

D24 CEC24: Yes, I talk to Artie all the time just to let you know. Okay, so so whenever you're moved in, we would like to do the CC.

852

02:48:32.660 --> 02:48:56.599

D24 CEC24: That month in your school, so we can, you know. Yes, thank you. Indy is so ecstatic. She's like, Oh, I can't. Oh.

853

02:48:57.010 --> 02:48:57.980

D24 CEC24: don't wait!

854

02:48:58.530 --> 02:49:00.819

D24 CEC24: Okay. So now.

855

02:49:01.230 --> 02:49:17.270

D24 CEC24: Bylaws bylaws. Go ahead. Why are we going to have a special meeting to amend the bylaws?
Everyone

856

02:49:45.050 --> 02:49:49.309

D24 CEC24: need to do it for resolution.

857

02:49:50.550 --> 02:50:19.660

D24 CEC24: match it to whatever it is that's supposed to match.

858

02:50:22.994 --> 02:50:26.329

D24 CEC24: Yeah.

859

02:50:26.380 --> 02:50:47.029

D24 CEC24: When we did the walkthrough, they said that we're gonna meet again.

860

02:50:47.030 --> 02:50:56.939

D24 CEC24: Again. Am I? Gonna have to wait till I'm 90 or we're meeting before break. Or we're meeting.
Yeah, remember saying we're gonna have to come back together again.

861

02:50:58.217 --> 02:51:17.382

D24 CEC24: Continue this conversation later on. That would be for them to. So that's a never.

862

02:51:19.100 --> 02:51:45.469

D24 CEC24: I mean, if it gets voted on, then yeah, improved space planning has to say, these are your classroom, there's a whole other walkthrough that has to change. And they use a formula. There's a formula that they use that says, Hey, you have this many kids. You get this much space. But do you know that there's not even enough bathrooms? I don't even know how they survived.

863

02:51:45.470 --> 02:52:04.500

D24 CEC24: So it looks like construction, but it looks like you took a concept. And then there's rooms that used to be a hundred years ago, but not sure.

864

02:52:04.730 --> 02:52:07.200

D24 CEC24: There's so many rooms you can't even use as a classroom

865

02:52:29.462 --> 02:52:45.830

D24 CEC24: came over here like Tiny.

866

02:52:45.900 --> 02:53:10.710

D24 CEC24: I left half my furniture, 1, 10, and 1 0, 4

867

02:53:10.710 --> 02:53:19.769

D24 CEC24: I cannot hear, so they could give us an update 1 10 don't care.

868

02:53:20.840 --> 02:53:42.620

D24 CEC24: Yeah. So because when will essay, we have to fill up that form for Se. Yes.

869

02:53:42.960 --> 02:54:02.089

D24 CEC24: school construction. And Veronica, we're not getting any information. We're not getting it. We don't know nothing. We're blind, but if we don't, we don't want to lose money again like that time we last time it was like we were arrested for it if we want to do it in time. So what if you just kind of chime in there and do it

870

02:54:02.290 --> 02:54:24.910

D24 CEC24: like is there like? So then there's repercussions that people bypass. Is there a repercussion for you to like?

871

02:54:24.910 --> 02:54:49.639

D24 CEC24: Why? Because we should have met with her a long time ago.

872

02:54:49.640 --> 02:55:01.759

D24 CEC24: This is what happened. He's a new member, right? So he has to also reapply for all the yes, you have to reapply for.

873

02:55:02.150 --> 02:55:34.519

D24 CEC24: for when it's a hard, should we send a Google form out to all the principals?

874

02:55:34.820 --> 02:55:38.040

D24 CEC24: I always replied, no, I'm handling it. Yeah.

875

02:55:38.830 --> 02:56:03.750

D24 CEC24: Madam Maribel, you on that phone call again this election.

876

02:56:04.562 --> 02:56:08.627

D24 CEC24: Okay? But the other one.

877

02:56:14.485 --> 02:56:29.620

D24 CEC24: every single school

878

02:56:33.830 --> 02:56:39.190

D24 CEC24: majority of people don't know what a capital project is.

879

02:56:39.330 --> 02:56:59.570

D24 CEC24: So if I want to do a ticket I apply, and then what happens after I apply.

880

02:56:59.790 --> 02:57:16.329

D24 CEC24: and then, as a matter of fact, will be asking questions

881

02:57:16.370 --> 02:57:39.809

D24 CEC24: because it wasn't a category. 5.

882

02:57:42.455 --> 02:57:50.970

D24 CEC24: We can't hear this.

883

02:57:54.310 --> 02:58:23.160

D24 CEC24: Well, I say, while we reach out to them and ask them what schools have? Category 5. And which circumstances we don't want category 5 doing this, and he's been in every school, and he knows about construction. I think you should take the lead

884

02:58:23.430 --> 02:58:29.005

D24 CEC24: and

885

02:58:34.720 --> 02:58:47.290

D24 CEC24: no, the ones that were submitted last year that she said that they were in level 5. Did you know if they were level 5?

886

02:58:48.657 --> 02:58:56.040

D24 CEC24: It's very weird the way you categorize you ever look in the back reports.

887

02:58:56.630 --> 02:59:19.290

D24 CEC24: Well, this is a 5. That's a 2. Let's average 3.5.

888

02:59:20.505 --> 02:59:30.560

D24 CEC24: Yeah, send me an email about what you're talking about

889

02:59:34.348 --> 02:59:53.829

D24 CEC24: the windows right? For us. That was this is not a priority.

890

02:59:53.830 --> 03:00:08.669

D24 CEC24: so how we can know who is up.

891

03:00:08.670 --> 03:00:12.820

D24 CEC24: 3, 4, 3,

892

03:00:14.030 --> 03:00:29.159

D24 CEC24: everybody go in there. Look at the pictures for you. Yeah, I just want to know, like, do you have anything in mind which is like category 5.

893

03:00:32.360 --> 03:00:46.889

D24 CEC24: When you go to school.

894

03:00:47.050 --> 03:01:13.690

D24 CEC24: We'll give you that report, for example, because it's construction.

895

03:01:13.690 --> 03:01:28.320

D24 CEC24: But sometimes gotta give you one example.

896

03:01:28.320 --> 03:01:36.540

D24 CEC24: No, no, no, you can't do that. That's the problem you're running into. Principals are stating. My windows are bad.

897

03:01:54.680 --> 03:02:15.559

D24 CEC24: You got to go to every school that you visit. Look for the fives and pick one of your choices and then throw a little email and see what you want to do before we close.

898

03:02:15.910 --> 03:02:35.929

D24 CEC24: She's not about to buy ink.

899

03:02:51.320 --> 03:02:53.520

D24 CEC24: She didn't mean she was fine, though.

900

03:03:03.090 --> 03:03:09.230

D24 CEC24: but she didn't she? Today she don't need permission to buy sandwiches and saw that she

901

03:03:17.435 --> 03:03:36.164

D24 CEC24: can. We just give her blanket approval

902

03:03:38.840 --> 03:04:05.040

D24 CEC24: members because she cannot purchase them because you took them home

903

03:04:05.110 --> 03:04:17.369

D24 CEC24: an extra one in case there's a problem. So the meeting is over.

904

03:04:23.746 --> 03:04:25.739

D24 CEC24: That's enough.

905

03:04:25.860 --> 03:04:26.940

D24 CEC24: No, we don't forget.
